## VOLUNTEER TRANSPORT SERVICE

### Passenger Medical Clearance Form - Fitness to use service

#### *Confirmation of fitness for travel by medical practitioner:*

Volunteer Transport is a courtesy service, operated by Town of Bassendean registered Volunteer Drivers, providing residents with access to their local amenities and occasional medical appointments when possible.

Volunteer Transport is not a MY AGE CARE funded or regulated service. For the safety of passengers and volunteer drivers, the service will be available for those who are ambulant and living independently. Passengers must exit and enter the vehicle without assistance and attend their appointments unaided.

The Town of Bassendean requires confirmation of eligibility by returning this clearance form, certifying the patient's suitability to use this service. If a patient is not suitable for Volunteer Transport the Town of Bassendean recommends that patients be referred to MY AGE CARE Provider for supported services.

For the safety of drivers and users, all passengers of Volunteer Transport Service:

- Must be living independently and making decisions about their own needs and services.
- Must be ambulant and walk without the need for assistance such as a walking frame or, wheelchair.
- Physically able to enter and exit an 8-seater vehicle that has a step, without assistance.
- Able to attend appointments unaided.
- Not have any medical conditions that would make it unsafe for themselves, other passengers, or volunteer drivers.
