Access and Inclusion Working Group

Authority:

The Working Group is established under the auspices of the People Services Committee (PSC). Working Group recommendations are to be referred to the PSC and to Council if supported by the Committee.

Background:

All Australians have equal rights to access facilities, functions, services and employment. Barriers to access and inclusion are to be actively identified and removed.

The Town of Bassendean has been a leader in providing accessible services and facilities since the early 1990's with a Disability Access and Inclusion Plan and a Disability Access and Inclusion Committee of Council. The Committee also acted as an advocate for improved services and facilities in the community of the Town.

Council resolved to establish this Working Group in lieu of maintaining the Committee such that the business of the Committee can be conducted less encumbered by the bureaucracy surrounding the Committee structure.

The Town adopts a new Access and Inclusion Plan each 5-years and will again in early 2019. The Plan, developed in consultation with the community, defines strategies and actions to address identified barriers existent in the community.

Purpose (Tasks & Outcomes):

- To consult with the community to identify barriers to access and inclusion existent in the community;
- To work with and support the Town in working towards a genuinely inclusive community for all;
- To monitor the implementation of the Town's Access and Inclusion Plan (AIP) and prepare statutory obligation reports to Council and other stakeholders on the progress of the AIP;
- To review the Access and Inclusion Plan in accordance with legislative obligations and make recommendations to Council to improve and update the Plan; and
- To maintain networks with people with disability, their carers and service providers.

Membership:

- A minimum of one appointed Councillor;
- Residents and others with disability who express identification with the community in the Town;
- Carers of residents and others with disability who express identification with the community in the Town,
- Representatives of organisations who provide services for people with disability; and
- Individuals who have skills, experience, interest and commitment to contribute to a truly inclusive community for all.
- Capacity to co-opt further members with relevant expertise as required

Chairperson

The Chairperson is appointed by the Council, on recommendation of PSC. In the absence of the Chairperson, a person elected by the members will assume the Chair for the meeting.

Meetings

The A&IWG will meet quarterly and additionally as required to ensure the objectives are met.

Quorum

A quorum will be by simple majority plus one.

Meeting notes

Meeting notes are to be prepared by the officers of the Town and distributed to members within five working days after the date of the meeting.

Reporting timeframes

Working Group meeting notes and recommendations are to be reported in writing to the People Services Committee at the next scheduled meeting.

Termination of the Working Group

The term of the Working Group lapses with ordinary elections of Council and may at the discretion of Council be reconvened. Termination of the Working Group shall be at the direction of the Council.

Suicide Prevention Working Group

Authority:

The Working Group is established under the auspices of the People Services Committee (PSC). Working Group recommendations are to be referred to the PSC and to Council if supported by the Committee.

Background:

In August 2018 it was reported that the Town has the highest incidents of suicide in the Perth metro area.

This lead to the People Services Committee considering how the Town should best to respond.

The Working Group was established by Council on recommendation from Committee in October 2018.

Purpose (Tasks & Outcomes):

To provide considered, timely and balanced advice to Council on suicide related matters relevant to the Town. This includes:

- Raise awareness of resources in the local area that support positive mental health and suicide prevention.
- Build community understanding to reduce the myths, misunderstandings and stigma associated with suicide.
- Review research to enable to target the specific needs of vulnerable groups and build capacity.
- Develop materials and initiatives/programs that support these objectives.

Membership:

- A minimum of one appointed Councillor;
- Representatives of organisations who provide mental health services to residents of the Town; and
- Members of the community who have skills, experience, interest and commitment to contribute to reducing the incidents of mental health disorders in the community;
- Officers of the Town of Bassendean; and
- Capacity to co-opt further members with relevant expertise as required.

Chairperson

The Chairperson is appointed by the Council, on recommendation of PSC. In the absence of the Chairperson, a person elected by the members will assume the Chair for the meeting.

Meetings

The SPWG will meet as required to ensure the objectives are met.

Quorum

A quorum will be by simple majority plus one.

Meeting notes

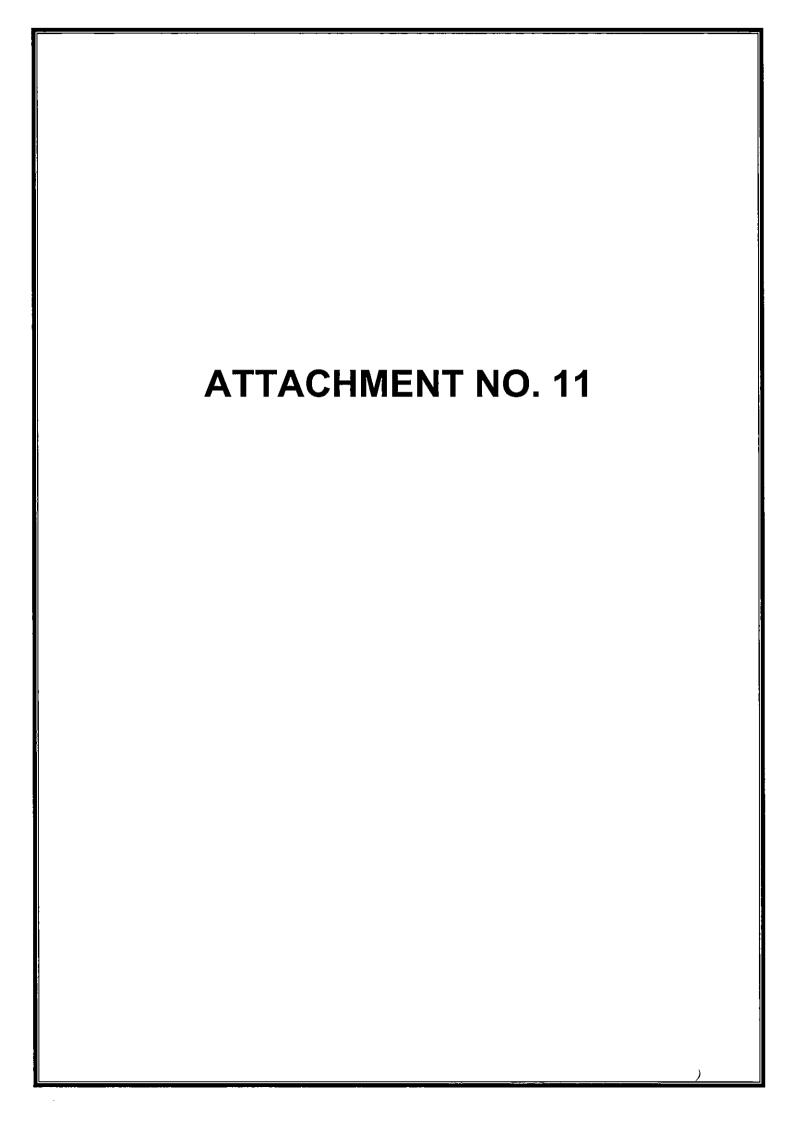

Meeting notes are to be prepared by the officers of the Town and distributed to members within five working days after the date of the meeting.

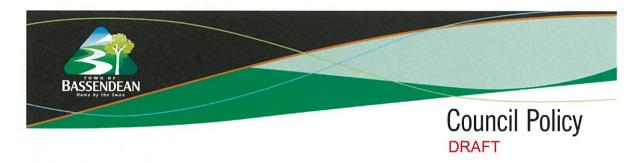

Reporting timeframes

Working Group meeting notes and recommendations are to be reported in writing to the People Services Committee at the next scheduled meeting.

Termination of the Working Group

The term of the Working Group lapses with ordinary elections of Council and may at the discretion of Council be reconvened. Termination of the Working Group shall be at the direction of the Council.

Annual Performance Review – Chief Executive officer

Objective

The objective of this Policy is to establish a consistent, transparent, independent and accountable review process in line with section 5.38 of the *Local Government Act 1995*, requiring the performance of each employee who is employed for a term of more than one year, including the CEO, be reviewed at least once in relation to every year of employment.

Strategy

The performance and remuneration package review will be conducted in accordance with the Chief Executive Officer's Contract of Employment.

This process is a collaborative approach to enhance and evaluate the CEO's performance along with providing guidance for the ensuing twelve months, using the Town's agreed Corporate Business Plan and Strategies.

Review Periods

The review must be conducted annually as follows:-

- a) At a time that is no later than 3 months after the anniversary of the Commencement Date; or
- b) If otherwise determined by the Council, at a time that enables the review to coincide with other remuneration reviews conducted by the Town of Bassendean.

Interim quarterly reviews will also be undertaken by the Review Panel to discuss progress on the CEO's targets and strategy objectives.

Assessment Criteria

The performance of the CEO will be assessed against the following criteria:-

 Leadership and Strategic Management: Provide inspirational and astute leadership which develops and drives innovative, strategies and best practice to assist in delivery of objectives in the Corporate Strategic Plan along with the vision and expectations of the Council and the Town. Provide exceptional management skills and strategy to build the capacity of the Town;

- Organisational Culture: Fosters a culture of innovation and excellence with an enabling can-do attitude. Engages with our diverse community by building and maintaining a highly responsive organisation committed to operational excellence and efficiency;
- Key Objectives: Ensures the efficient and timely delivery of all projects within budget.
 Oversees the reviews and improvements to all aspects of urban design and growth in the Town, with an emphasis on genuine community engagement to meet the challenges of growing the Town;
- Collaboration: Works in close collaboration with Council, the Mayor and the community to provide accurate and timely advice and information to ensure the key outcomes and objectives of the Town are met;
- Governance: Delivers the highest organisational integrity, corporate governance and accountability, which is demonstrated within an environment of transparency, trust, openness, honesty and fairness to all; and
- Sustainability: To provide responsible and sustainable management of the Town's financial resources, built and natural environment, infrastructure assets and staff.

Review Panel

The annual CEO performance review panel will consist of:

- The Mayor; and
- · Two Councillors nominated by resolution of Council.

The selection of the panel will be in consultation and negotiation with the CEO and will be facilitated by an independent external person appointed by a resolution of Council in accordance with the Town's Procurement Policy and Procedures.

Councillors participating in the review process must:

- Understand the requirements and responsibilities of a performance management process
- Show an ability to be fair and objective
- Provide feedback which is constructive, specific and non-judgemental
- Be measured and unbiased in decision making
- Use good communication and interpersonal skills to participate in a productive and meaningful process

• Subjectively and effectively assess operational performance and strategy achievements

Review Process

The Human Resources Coordinator will be responsible for managing and implementing the process as outlined below:-

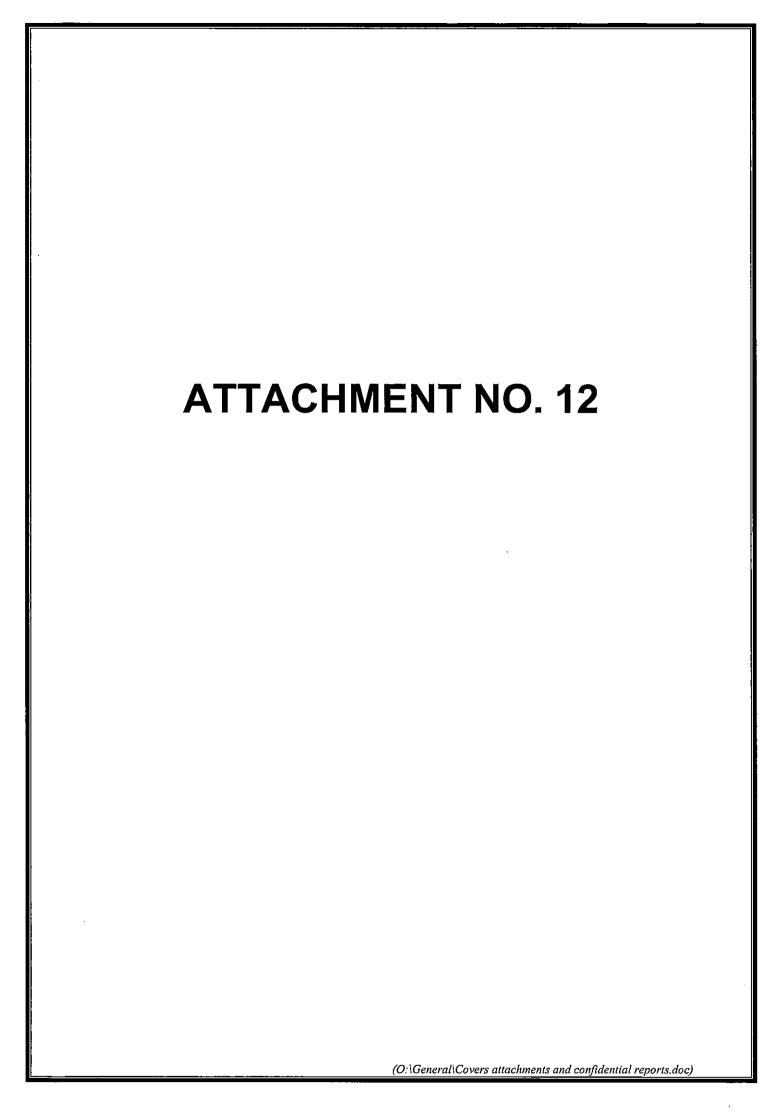

- 1. Engagement of an independent external facilitator in consultation with the Mayor and CEO and in line with the Town's Procurement and Purchasing procedures.
- 2. Prior to the commencement of the review the CEO will provide a self-assessment of their performance against the relevant criteria to all elected members.
- 3. The independent facilitator will assist the Review Panel to seek feedback from the elected members, assess the performance and agree on key focus areas for the review interview.
- **4.** The Review Panel with support of the independent facilitator will conduct an appraisal interview with the CEO with regard to:
 - a) Performance and Assessment Criteria;
 - b) Any changes to the work values or responsibilities of the Position;
 - c) The hours worked, including hours in addition to normal working hours:
 - d) The condition of the market and economy generally; and
 - e) The capacity of the Town to pay an increase
- 5. The CEO will be provided with an opportunity to provide comment.
- 6. The independent facilitator will attend a full Council briefing session to discuss findings.
- 7. The independent facilitator will provide Council and CEO with a full report including recommendations:
 - a) Endorsement of the CEO's performance for the period under review
 - b) The CEO's remuneration for the next 12 months
 - c) If required, the extension or renewal of the CEO Contract
 - d) Determination of appropriate Key Performance Indicators for the next 12 months
 - e) A professional development plan based on the above

Record Keeping

Documents in relation to the review process must be registered on the Town of Bassendean's records management system and stored on the CEO's confidential personnel file.

ApplicationResponsibility for the implementation of this policy rest with the Mayor, Councillors and Chief Executive Officer. The Policy is to be reviewed every three years.

Update on Purchasing Policy

The CEO and Acting Director Corporate Services briefed the Committee on work being done to update the Purchasing Policy.

We will be working with WALGA and Managers to change the way we procure. Procurement is currently spread across the organisation, across individual departments. Current practices need to reviewed to move to a more centralised process. This will give more control and reduce the Town's risk profile. The issue of sustainability will also be a key component of the Policy.

8.0 REPORTS

8.1 Role of Internal Audit and Audit Focus for 2018/2019 – (Ref: GOVR/LREGLIA/3 – Peta Mabbs, Chief Executive Officer)

APPLICATION

The Audit & Governance Committee is requested to consider the CEO's review of the appropriateness and effectiveness of the Town's Audit and governance committee – instrument of appointment.

ATTACHMENT

Attachment No.1:

- Audit in Local Government Guidelines
- Amended Audit and Governance Committee's Instrument of Appointment

BACKGROUND

On 28 October 2017, the *Local Government Amendment* (Auditing) Act 2017 (LG Act) was proclaimed, giving the Auditor General the mandate to audit Western Australia's 139 local governments and 9 regional councils. Parliament provided this mandate to enhance accountability and transparency across the sector.

The Local Government Act 1995 (the Act) allowed the Auditor General to start performance and focus area audits from the date of proclamation, while responsibility for financial audits will progressively transition to the Auditor General, as local governments' existing audit contracts expire.

The Auditor General's presence in the local government sector increases the level of oversight for all local governments. For the Town of Bassendean this is an opportunity to reflect on our current audit model to consider opportunities to further enhance assurance.

In this regard, proposed changes have been identified regarding:

- the role and reporting relationship of the Internal Audit function; and
- the focus of the Town's Internal Audit program for the remainder of 2018/2019.

Current Situation

The Role of Internal Audit:- Currently, the Town's Audit and Governance Committee (AG Committee), in practice does not include the Town's Internal Auditor (currently performed by 'Moore Stephens') as regular participants at the quarterly AG Committee meetings. To date, the function has reported to the Director Corporate Services.

Audit in Local Government, Page 13 (Attachment 1) states: "For local government, the Internal Auditor should report functionally to the audit committee and administratively to the CEO. It should be remembered that pursuant to section 5.41 of the Act, the CEO is responsible for the day-to-day management of council activities including the direction of staff and implicitly the internal audit function. The CEO may choose to delegate this responsibility provided always that the delegation does not directly or indirectly interfere with the ability of the Internal Auditor to conduct an internal audit function free from interference.

A clear and properly defined reporting relationship ensures that the Internal Auditor is empowered to perform their role working with management. The direct reporting line to the audit committee also acts as an adequate safeguard in the event of a serious breakdown in internal controls or internal control culture at senior levels in the organisation."

In seeking to further enhance assurance, it is proposed that the Town's Internal Auditors have:

- a functional reporting line to the AG Committee; and
- an administrative reporting relationship to the Chief Executive Officer.

In light of the above proposal and to facilitate a functional reporting line to the AG Committee, it is further proposed that a standing invitation to all AG Committee meetings be extended to the Town's Internal Auditor.

Both these measures are designed to facilitate the AG Committee fully discharging its objectives in addition to providing further assurance to the Town and Council. An amended "Audit and Governance Committee Terms of Reference" is provided (Attachment 2) highlighting proposed amendments to enable the above to be incorporated.

Aligning the Town's Internal Audit Program

The Internal Audit Program for an organisation is designed to be a 'risk based' plan which sets out the intended nature of internal audits for the coming year.

As the Town's most recent risk assessment was undertaken in 2016, it is timely to undertake a comprehensive organisational risk assessment. Embedding management capability within the Town will not only ensure the Town's internal audit program is aligned to its current risk profile. but a more robust system of governance will be promoted. A risk assessment will enable for the identification. assessment. and prioritisation of risks across organisation to enable a more coordinated and effective application of resources to minimise, monitor, and control the probability and/or impact of unfortunate events and maximise the realisation of opportunities. Part of the risk assessment exercise will also be to identify and examine internal controls and legislative compliance.

It is proposed that utilising the Town's internal audit capability to facilitate a comprehensive organisational risk assessment in the first half of 2019 will ensure the future internal audit program is targeted and reflective of the Town's risk profile. This will also enable quarterly reporting of risks to the AG Committee.

To facilitate this, it is proposed that the Chief Executive Officer work with the internal auditors to ensure a comprehensive organisational risk assessment in the first half of 2019. This proposal is intended to replace any other internal audits during the remainder of the financial year.

The product of this work will be a report to the AG Committee providing a risk assessment in addition to identifying gaps in terms of controls and legislative compliance; and areas for improvement. The latter will inform the development of the Strategic Audit Plan from 1 July 2019 onwards.

COMMUNICATION AND ENGAGEMENT

Discussions with the Town's internal auditors regarding the proposal have been undertaken.

STATUTORY REQUIREMENTS

This proposal addresses the requirements of Regulation 17 of the Local Government (Audit) Regulations 1996; and Regulation 5 (2) (c) of the Local Government (Financial Management) Regulations 1996.

More specifically:

Local Government (Audit) Regulations 1996

The Chief Executive Officer is to comply with Regulation 17 of the Local Government (Audit) Regulations in reviewing certain systems and procedures in relation to:

- (a) Risk management; and
- (b) Internal control; and
- (c) Legislative compliance.
- (2) The review may relate to any or all of the matters referred to in sub regulation (1)(a), (b) and (c), but each of those matters is to be the subject of a review at least once every 2 calendar years.
- (3) The CEO is to report to the audit committee the results of that review.

Historically, a local government was to carry out a 'systems and procedures' audit at least once every two years, with the next review to be completed by 31 December 2018. After carrying out a systems and procedures audit the local government is to prepare an audit report in a form approved by the Minister.

The Local Government (Audit) Regulations 1996 were amended in 26 June 2018. Part of the amendment is in relation to the frequency of the system and procedures review. The system and procedures review is to be carried out every 3 financial years. The next system and procedures review is to be carried out in 2019.

<u>Local Government (Financial Management) Regulations</u> 1996

The CEO is to -

(C) Undertake reviews of the appropriateness and effectiveness of the financial management systems and procedures of the Local Government regularly (and not less than once in every 3 years) and report to the local government the results of those reviews.

The local government's Audit Committee is to review the audit report and is to provide the results of that review to Council.

COMMITTEE/OFFICER RECOMMENDATION – ITEM 8.1

AGC-1/02/19

MOVED Tom Klaassen, Seconded Ian Walters, that Council adopts the following:

- 1. In seeking to further enhance assurance, it is proposed that the Town's Internal Auditors have:
 - a functional reporting line to the Audit and Governance Committee; and
 - an administrative reporting relationship to the Chief Executive Officer;
- In light of the above and to facilitate a functional reporting line to the Audit and Governance Committee, it is further proposed that a standing invitation to all AG Committee meetings be extended to the Town's Internal Auditor;
- The Audit and Governance Committee's Instrument of Appointment (attached) be updated (as highlighted) to reflect the above changes outlined in '1' and '2';
- 4. The internal auditors undertake an organisational risk assessment; assessment of internal controls; and assessment of legislative compliance to meet the requirements of Regulation 17 of the Local Government (Audit) Regulations 1996; and Regulation 5 (2) (c) of the Local Government (Financial Management) Regulations 1996;
- 5. A report to the Audit and Governance Committee on the outcomes of the above (i.e. '4'), be provided by 30 June 2019; and
- 6. The Strategic Audit Plan for 1 July 2019 onwards be informed by the above (i.e. '5').

 - d. compliance with laws and regulations e. internal and external audit functions

2. INTRODUCTION

The Audit and Governance (AG) Committee has been established in accordance with part 7 of the Local Government Act 1995.

The Audit and Governance Committee is an advisory committee formally appointed by the Council and is responsible to the Council. The AG committee does not have executive powers or authority to implement actions in areas over which management has responsibility and does not have any financial responsibility. The AG committee does not have any management functions and is therefore independent of management.

3. OBJECTIVES

The AG Committee's primary objective is to support the Council in discharging its legislative responsibility associated with governing the Town's affairs and overseeing the allocation of the Town's finances and resources.

The AG Committee will promote transparency and accountability in the Town's financial reporting and promote effective and responsible management of risks to protect the Town's assets.

The AG Committee will report to Council and provide appropriate advice and recommendations on matters relevant to its terms of reference in order to facilitate decision making by the Council in relation to the discharge of its responsibilities.

More specifically, the objectives of the AG committee are to oversee:

- 3.1 The integrity of external financial reporting, including accounting policies.
- 3.2 The scope of work, objectivity, performance and independence of the internal and external auditors.
- 3.3 The establishment, effectiveness and maintenance of controls and systems to safeguard the Town's financial and physical assets.
- The framework and systems that are designed to ensure the Town comply with relevant statutory and regulatory requirements.
- 3.5 The framework for recognising risks arising from the Town's operations and strategies, and consider the adequacy of measures taken to manage those risks.
- 3.6 The framework and systems which protect the Council against fraud and irregularities.

The AG committee must also add to the credibility of Council by promoting ethical standards through its work.

4. AUTHORITY

The AG committee has the authority of Council to:

- 4.1 Review the internal and external auditor's annual audit plans and the outcomes/results of all audits undertaken;
- 4.2 Formally meet with the Town's appointed internal and external auditor as necessary;
- 4.3 Ensure that any matters raised by the internal and external audit that require action are actioned; and
- 4.4 Advise Council on any or all of the above as deemed necessary.

5. COMPOSITION

- 5.1 The AG Committee will comprise of five (5) members, three (3) Elected Members and two (2) external independent members.
- An external member will be a person independent of the Town of Bassendean, and will not have provided paid services to the Town either directly or indirectly.

- 5.3 External independent members will be selected based on the following criteria:
 - a) a demonstrated high level of expertise and knowledge in financial management, reporting, governance and audit; and
 - b) relevant skills and experience in providing independent expert advice.
- 5.4 Appointments of external independent members will be made following a public advertisement, and all nominations will be provided to Council for consideration.
- 5.5 The Council will appoint all members of the AG Committee.
- 5.6 Members shall be appointed for a period of up to two (2) years terminating on the day of the Local Government Ordinary Council Elections.
- 5.7 The Presiding Member and Deputy Presiding Member will be appointed by the AG Committee, biennially by election by all committee members after the Local Government Ordinary Council Elections.
- 5.8 The quorum for a meeting shall be a minimum of 3 Committee members.
- 5.9 AG Committee members are required to abide by the Local Government Act and Code of Conduct in observing the requirements of declaring any proximity, financial or impartiality interests that relate to any matter to be considered at each meeting.
- 5.10 Reimbursement of expenses approved by Council may be paid to an external person who is a member of the AG committee.

6. MEETINGS

The AG Committee shall meet every three (3) months or more regularly as required at the discretion of the Presiding Member of the AG Committee, the Mayor, or the CEO.

- 6.1 All AG committee members are expected to attend each meeting in person.
- 6.2 Elected Members, who are not part of the AG committee are invited to observe AG committee meetings, however, they are not entitled to participate in the meeting.
- 6.3 The members of the AG committee are to elect a Presiding Member from amongst themselves at the first meeting of the committee following an Ordinary Local Government Election.
- 6.4 The Presiding Member will preside at all meetings.

- 6.5 Each member of the Committee at a meeting will have one vote. The Presiding Member will have a casting vote and simple majority will prevail.
- A committee recommendation does not have effect unless it has been made by simple majority. A simple majority is the agreement of not less than half of the members present a the meeting.
- The CEO, or his delegate, the Director Corporate Services, is to attend all meetings to provide advice and guidance to the committee, however the CEO and employees are not members of the committee.
- 6.8 The CEO will invite members of management, internal and external auditors or others to attend meetings as observers and to provide pertinent information, as necessary.
- 6.10 The AG committee meetings are generally open to the public unless the Presiding Member or CEO deem it necessary to proceed behind closed doors pursuant to section 5.23 of the Local Government Act 1995.
- 6.11 Meeting agendas will be prepared and provided at least one week in advance to members, along with appropriate briefing materials.
- 6.12 Minutes will be taken at each meeting and presented to the subsequent meeting for confirmation.
- Reports and recommendations of each committee meeting shall be presented to the next ordinary council meeting.

7. RESPONSIBILITIES

The AG committee will carry out the following responsibilities:

7.1 Risk management

- 7.1.1 Review whether management has in place a current and comprehensive enterprise risk management framework and associated procedures for effective identification and management of the Town's business and financial risks, including fraud.
- 7.1.2 Assess whether a sound and effective approach has been followed in managing the Town's major risks including those associated with individual projects, program implementation, and activities.
- 7.1.3 Assess the impact of the Town's enterprise risk management framework on its control environment and insurance arrangements.
- 7.1.4 Review the process of developing and implementing the Town's fraud control arrangements and satisfy itself the Town has appropriate processes and systems in place to detect, capture and effectively respond to fraud-related information.

7.1 Underground Power Policy

BACKGROUND

In December 2004 (OCM 9/12/04), Council resolved to undertake a survey in 2005 to evaluate community support for underground power.

The 2005 Community Survey separated the three different suburbs being Ashfield, Bassendean and Eden Hill with the following results obtained at the time of the survey:

- Ashfield 53% prepared to pay half of the costs of installation, estimated to be around \$3,000. 31% are not prepared to pay for underground power and 16% don't know.
- Bassendean 45% prepared to pay half of the costs of installation, estimated to be around \$3,000. 46% are not prepared to pay for underground power and 15% don't know.
- Eden Hill Only 21% are prepared to pay half of the costs of installation, estimated to be around \$3,000. 65% are not prepared to pay for underground power and 9% do not know.

In 2010, the State Government announced Round 5 of the Underground Power program, which included a funding criteria for poor electricity supply services and a 15% subsidy for socio economic disadvantage suburbs. At this time, Ashfield was the 4th most disadvantaged local authority in Western Australia. As a result, ratepayers in disadvantaged suburbs would contribute 35% of the cost and of the State Government funded the balance. The State Government conducted an independent survey of the Ashfield ratepayers and the majority supported the undergrounding of power and supported contributing their share of the costs.

For Round 5 of the State Government Underground Power program, 89 expressions of interest applications were received and of these, only 15 were shortlisted.

The Town of Bassendean's Expression of Interest application for the undergrounding of power in Ashfield was successful, with the project being completed in 2012.

In 2015, the State Government's Round 6 Underground Power program, however the funding criteria had changed to competitive process between Local Governments with a minimum 50% ratepayer contribution, Western Power also determined the electricity network priorities and only 500 to 800 property allotments were permitted.

Council initially resolved to submit an expression of interest application for the suburb of Bassendean, Western Power determined that Eden Hill was a higher electricity network priority, as a result Council (OCM – 14/04/16) resolved to change the expression of interest application to Eden Hill.

The State Government conducted an independent survey of the Eden Hill Ratepayers; however, in this case less than 50% of ratepayers supported contributing their share of the costs. As a result, the Round 6 expression of interest application was not successful.

Almost 60 per cent of houses in the Perth metropolitan area now have underground power, with more than 1,000 kilometres of mostly residential streets having been undergrounded over the life of the State Underground Power Program. The State Government has committed \$49 million for about 18,000 properties to benefit from Round 6 Underground Power program.

For Round 6 of the State Government Underground Power program, 42 expressions of interest applications were received and of these, only 8 were successful.

Round 6 of the Underground Program commenced in 2017 and it is expected to be completed by the end of 2021.

In August 2018 the Town Assets Committee considered the Underground Power Policy report and resolved (TAC - 6/08/18) that this item be deferred to the next meeting.

COMMENT

The Draft Carbon Emissions Reduction Plan 2018-2023 presented to the 13 March 2018 Sustainability Committee included in Action Table 5: Street and Auxiliary Lighting, which stated the following:

 Continue to support WALGA and the EMRC in advocating to Western Power for energy efficient upgrades to street lighting.

- Investigate opportunities to retrofit street lighting infrastructure to reduce carbon emissions, energy consumption and costs to the Town.
- Ensure that any new decorative or feature lighting uses LED and/or Solar fixtures.
- Maintain current auxiliary and roadway lighting infrastructure and where applicable, retrofit with energy efficient lighting.

To achieve these planned actions, when the State Government announces future expression of interest grants, Council can submit applications to underground the Western Power overhead wires and for the street lights to be upgraded to Australian Standard AS/NZS 1158.6 – Lighting for Roads.

To assist with this process, the draft Underground Policy has been prepared for the Town's Asset Committee and Council's consideration.

It should be noted that past State Governments have altered the grant funding criteria and when the Underground Program is announced, very little time is provided for Local Governments to submit expression of interest applications.

Considering the last underground power survey was in 2005, it is suggested that once the Policy is adopted, priority underground program areas identified and funding is made available, that ratepayers be surveyed to seek the current level of ratepayer support to financially contributing to the cost of underground power.

FINANCIAL CONSIDERATIONS

In 2007, Council (OCM -10/08/07) resolved in part to considers allocating \$50,000 per annum into a "reserve" account for properties adjacent to Town of Bassendean owned/vested land in order to fund an underground power program.

Council subsequently allocated an initial \$50,000 to the Underground Power Reserve Account and when the Ashfield Underground Project was completed the remaining Ratepayer funds were placed into this reserve account to be spent in Ashfield for streetscape improvements.

The estimated cost in 2017 for Round 6 rateable properties was \$5,600 or \$1,133 over 5 years as a payment plan.

COMMITTEE RESOLUTION

TAC - 1/02/19

MOVED Cr Wilson, Seconded Cr Hamilton, that Standing Orders be suspended, the time being 10.03am.

COMMITTEE RESOLUTION

TAC - 2/02/19

MOVED Cr McLennan, Seconded Cr Wilson, that Standing Orders be reinstated, the time being 10.31am.

CARRIED UNANIMOUSLY 3/0

OFFICER RECOMMENDATION - ITEM 7.1(a)

That the Committee recommends that Council endorse the draft Underground Power Policy for the purpose of community consultation.

Cr Wilson proposed the following amendments to the draft Underground Power Policy:

Objectives

 Lobby the State Government to reintroduce a subsidy for socioeconomic disadvantaged areas.

<u>Strategy</u>

- Advocating for a change in method for distributing costs for underground power projects that reintroduces a subsidy for socio-economic disadvantaged areas.
- Developing and implementing an education campaign with the community to explain the benefits of undergrounding power prior to any surveys being made.
- Continuing to make contributions to a reserve fund to assist residents facing financial hardship with meeting the property owner contribution costs of undergrounding power.

COMMITTEE RECOMMENDATION - ITEM 7.1(b)

TAC - 3/02/19

MOVED Cr Wilson, Seconded Cr Hamilton, that the Committee recommends that Council endorses the **revised** draft Underground Power Policy.

7.2 Padbury Reserve Playground

BACKGROUND

As part of the 2018/2019 adopted Budget, Council allocated (1AP18030) \$10,000 to the Padbury Park Playground.

In August 2018, the Town Assets Committee considered the Padbury Reserve playground report and resolved (TAC - 8/08/18) that this item be deferred to the next meeting.

COMMENT

In 2009, Council adopted a Play Spaces Implementation Plan. This document states for the 2018/2019 financial year that neighbourhood level play structures for 5–7 years of age children is to be provided at Padbury Square Reserve.

In the past, Recreation and Culture staff have selected age specific playground equipment within the budget allocation.

Members of the Town Assets Committee have expressed an interest in Councillors having the opportunity to consult with the community regarding the allocated funding.

OFFICER RECOMMENDATION – ITEM 7.2(a)

That the Committee recommends to Council that Community Development conduct an on-site meeting with local residents on the nature and type of facilities they would like to see installed

It was agreed by the Committee that Officers and Council should work with local community stakeholders and local residents on what they would like to see at this reserve. Communication should also include signage at the park, a letterbox drop to local residents and general advertising.

It was discussed and agreed the same action should be taken for Item 8.2 Palmerston Square Reserve.

Officers will prepare a report to Council on how the Town can engage with local community stakeholders on the future use of Padbury Reserve and Palmerston Square Reserve.

COMMITTEE RECOMMENDATION – ITEM 7.2(b)

TAC - 4/02/19

MOVED Cr Wilson, Seconded Cr Hamilton, that officers prepare a report for Council on engaging with local community stakeholders on the future use of Padbury Reserve.

8.0 REPORTS

8.1 <u>Urban Forest Strategy and Tree Planting Program for 2019</u>

BACKGROUND

A number of meetings have occurred regarding the draft Urban Forest Strategy.

As part of the draft budget considerations increased funding was allocated for the planting of additional street trees as part of the 2019 winter planting program.

On 24 July 2018, Council resolved in part, the following:

- Planting of trees be increased from 500 to 600 trees, with the location and species of the additional 100 trees to be determined by Council; and
- A Tree Reserve Fund be established and any unspent funds from the tree planting be placed in this Reserve Fund.

In August 2018, an Officer's report was presented to the Town Assets Committee recommending that 100 "Eucalyptus todiana" trees be planted in Northmoor Road, Eden Hill during the 2018 winter planting season; and that the attached information leaflet be provided to all properties where new street trees were to be planted.

The Town Assets Committee (TAC - 4/08/18) resolved that this item relating to the 100 additional trees be deferred to a future meeting.

Council (OCM – 15/08/18) received the August 2018 Town Assets Committee Minutes and resolved in part to extend an invitation to the Managing Director of Arbor Carbon and the Director of the Forever Project to a future Councillor workshop to discuss their involvement in the recent Sustainable Urban Forest Management Symposium, to seek advice about the formulation of a brief for the Town's Urban Forest Strategy.

In accordance with OCM-15/08/18, a Councillors' Workshop was conducted on 29 November 2018. A presentation by the Managing Director Arbor Carbon and Director of the Forever Project and Urban Forest will be tabled at this meeting (see attachment to these minutes).

On 19 December 2018, a further meeting was conducted with the Mayor, Cr Hamilton, Cr Wilson, the Chief Executive Officer, Director Operational Services and Manager Asset Services, so that Councillors could discuss progressing the 2019 planting program.

At the conclusion of the meeting, the Town was requested to provide a brief to invite a suitably qualified and experienced consulting arborist to provide an estimated 3 different trees suitable for planting in the suburbs with underground power in Ashfield and Eden Hill.

COMMUNICATION & ENGAGEMENT

At the 19 December 2018 meeting with the Mayor, Cr Hamilton, Cr Wilson, it was suggested that for the underground power areas in Ashfield and Eden Hill, that residents could be invited to a community meeting, within a nearby park or open space area, include a BBQ, to promote the benefits of street trees, verge plantings, and discuss with those in attendance, the opportunities of a street verge activity program which could be supported by the Town.

To progress this suggestion, it is proposed that the Town engage AshfieldCAN and EdenHillCAN and ask that they identify in order of priority streets for planting.

The Town's Asset Committee can then consider the feedback from AshfieldCAN and EdenHillCAN and the availability of tree stock in order to determine what planting can be achieved in the 2019 plant program. To expedite the process responses can be forwarded to the Asset Committee by email for approval.

Pending the availability of trees, the community engagement strategy which would be led by a communications specialist engaged specifically for Tree Planting 2019 would consider as part of the strategy the following:

- Engage with Ashfield CAN and Eden Hill CAN to assist as part of the community engagement strategy;
- Promotion of the planned tree planting using multi-media over the months leading up to the winter planting season;
- Consult with residents to promote benefits of Street Trees;
- Planting Day with residents and Bar-b-que afterwards at a local park
- Celebrate the tree planting with photographs of residents planting street trees using multi-media following the planting.

To expedite the process, it is proposed that the Town's Asset Committee recommend to Council a list of streets in order of priority for tree planting and based off the Consulting Arborist recommended trees, the Town could source the available / suitable tree stock, engage with residents, promote the planting and arrange the planting days and Bar-b-ques.

As part of the community engagement process for the 2019 Tree Planting program, the Town would provide information at the Bassendean Memorial Library, 35 Old Perth Road Customer Service Centre and other requested "pop-up" locations.

Based upon 19 December 2018 discussions, the following draft narrative has been prepared to promote to the community the 2019 Street Tree Planting program:

Creating Leafy and Liveable Neighbourhoods

Areas where underground power is now available in Ashfield and Eden Hill have been selected as part of the Town's "Leafy and Liveable" Neighbourhoods program for 2019.

Areas where the Town succeeds in achieving future underground power projects, will also have the opportunity to participate in the Town's "Leafy and Liveable" Neighbourhoods program.

The program seeks to create "tree -lined" boulevards in neighbourhoods covering most of Ashfield and Eden Hill in order to significantly increase our Town's tree canopy.

Did you know?

Street Trees:

- contribute to clean air by producing oxygen, reducing smog and intercepting airborne particles.
- reduce stress, slow heartbeats, lower blood pressure and relax brain wave patterns.
- are a natural air-conditioner a tree canopy can be 6-8% cooler and reduces our demand and annual energy costs for heating and cooling.
- provide important habitats for numerous bird species, insects and other species.
- absorb and block sound, reducing noise pollution by as much as 40 percent
- reduces our exposure to UV radiation
- encourage people to walk and jog, which encourages interaction with neighbours and improves the sense of community

 enhance neighbourhood aesthetics and as a consequence are proven to increase the median property price of a house.

The Plan

The Town will select suitable, healthy trees for each neighbourhood based upon considerations such as the suitability of the trees performance record in similar soil and environmental conditions, the mature growth of the tree and shade it will provide.

Over the 2019 winter months street trees will be planted along street verges to improve the aesthetics of the neighbourhood.

To ensure the street trees have a good start, the Town will water the trees for 2 years or until established. Please contact the Town to obtain more information."

COMMENT

In regards to the meeting held on the 19 December 2018 and the request to provide a brief for the section of street trees to engage a suitably qualified and experienced consulting arborist to provide a list of suitable trees for the underground power areas of Ashfield and Eden Hill, Officers have reviewed Council's (OCM1-3/12/09) adopted tree selection criteria and Council's (OCM – 15/06/18) feedback that resolved in part the following:

"Extends an invitation to the Members of the former Working Group to seek their feedback on adopting an objective in the Strategy that commits the Town to:

- A goal of 70% tree canopy on Town Road Reserves with significant form and scale to provide shade canopy over a large proportion of the road;
- b) Priority being placed on new plantings in those areas of the Town where the power lines have already been put underground, with the non-power line side of the streets in other areas of the Town being the second priority;
- Maintaining the uniformity of existing established avenues;
- d) Opening up the diversity of tree species that may be planted on other streets that are not already established Avenues:
- e) Developing biodiversity corridors with food and habitat for bird life;
- f) Finalising a street tree species list that:
 - at maturity grow high enough to provide significant form and scale to provide shade and canopy over a large portion of the road;

- minimises impact on utility services;
- are drought tolerant;
- that have a strong performance record in similar areas;
- are tolerant in paved areas where necessary;
- are resistant to pests and diseases;
- are long-lived;
- have manageable limb shear risk;
- meet the soil conditions of the site; and
- are suited for planting on median islands and roundabouts."

Taking into consideration the past Council (OCM1-3/12/09) resolution, the recent Council (OCM – 15/06/18) resolution and the 19 December 2018 feedback, the following draft Tree Selection brief for a consulting arborist has been prepared for the suburb of Ashfield and Eden Hill that have underground power:

"Consulting Arborist to:

- Identify the existing established "Boulevard" style streetscapes in the suburbs of Ashfield and Eden Hill that have underground power and advise:
 - Street name that has historical, cultural or natural association with a particular street tree that requires to be maintained;
 - Tree species,
 - Number of additional trees to be planted to provide 70% shade and tree canopy over a large portion of the road reserve:
 - Plant Nurseries that have Tree Stock for Landscape Use in accordance with Australian Standard (AS2303:2015) for the number of trees identified;
- Review existing streetscape plantings and recommend three (3) trees that achieve the following street tree criteria for the suburb of Ashfield and Eden Hill that have underground power:
 - Form and scale of trees at maturity to provide 70% shade and tree canopy over a large portion of the road reserves:
 - Trees have a strong performance record in similar geology and soil conditions;
 - Root system suitable for planting adjacent to paved areas, building structures and within median islands and roundabouts and minimises impact on utility services;
 - Enhance biodiversity with food and habitat for bird life;
 - Trees are drought tolerant;

- Resistance to pest and diseases;
- Long Lived;
- Not prone to limb shear; and
- Responsive to formative and if required structural pruning.

In regards to item 1 above, this is reasonably straight forward in identifying the tree species, number of trees and if the number of trees will be available from the nurseries in accordance with Australian Standard -AS2303:2015.

In regards to item 2 above, whilst 3 trees can be identified, the issues that need to be resolved relate to which tree species will be selected to be planted adjacent to the individual properties, how many of each species need to be acquired and if the number of trees will be available from Nurseries in accordance with Australian Standard -AS2303:2015.

The above criteria, however, has been prepared to minimising the risk of planting trees that may not be suitable and have a high risk at maturity of causing damage to public or private assets.

Should the above criteria be adopted by Council or an alternative version, it is intended the Town will invite quotes to provide the list of trees and that a further report will be provided to the Town Assets Committee for consideration.

As an alternative, once the arborist has recommended the trees, the Town could expedite the above process by sourcing the available / suitable tree stock.

The Town will use the Australian Standard (AS2303:2015) for Tree Stock for Landscape Use, when inviting quotes for the supply and delivery for the Street Tree Planting Program. This document will be tabled at the meeting.

Considering the feedback provided by Managing Director Arbor Carbon and Director of the Forever Project and Urban Forest at the 28 November 2018 Councillor Workshop, it is recommended that Council use the funds allocated in the 2018/2019 Budget to engage a suitable multi-disciplinary consulting firm to review the current draft Urban Forest Strategies and the Town of Bassendean Urban Heat Load assessments, and for the appointed consultant to provide an updated Urban Forest Strategy and implementation Plan.

OFFICER RECOMMENDATION - ITEM 8.1(a)

That the Committee recommends to Council that it:

- Adopts the Tree Selection brief for the consulting arborist to provide suitable trees for planting in the suburbs of Ashfield and Eden Hill outlined in the 6 February 2019 Town Assets Committee Agenda;
- 2. Endorses the outline of the engagement approach for the 2019 Street Tree/Verge Planting program outlined in the 6 February 2019 Town Assets Committee Agenda; and
- 3. Reconsiders the August 2018 (TAC 4/08/18) resolution relating to the 100 additional trees to be planted and requests that residents have an option for the species of trees, from the arborist's recommendation, they would prefer be planted in Northmoor Road, Eden Hill during the 2019 winter planting season.

Director Operational Service tabled the following:

- Presentation by the Managing Director Arbor Carbon and Director of the Forever Project and Urban Forest – see attached; and
- Councillor Workshop Urban Forest Meeting notes 28th November 2018 – see attached.

Cr Hamilton tabled the following:

Cr Wilson moved an alternative motion.

COMMITTEE RECOMMENDATION – ITEM 8.1(b)

TAC - 7/02/19

MOVED Cr Wilson, Seconded Cr McLennan, that the Committee recommends that:

- 1. Council revokes the adopted Street Tree Master Plan to enable staff to enact Council Resolution OCM 1-3/12/09;
- 2. An Arborist be engaged to procure the best stock available to meet the requirements of OCM 1-3/12/09 within the budget available for the 2019 winter planting season;
- A community engagement programme be developed to identify residents who want trees planted on their verge in Ashfield, the west half of Eden Hill and areas not compromised by powerlines;
- 4. Any surplus trees be planted in identified suitable locations and in parks in Ashfield and Eden Hill where the power is underground; and
- 5. Council continue to develop a long term tree planting programme for 2020 and beyond.

8.2 <u>Palmerston Square Reserve – Planning for community</u> consultation

BACKGROUND

In July 2017, Council (OCM – 9/07/17) resolved to:

- 1. Receive the community feedback concerning the separated dog exercise areas at Anzac Terrace Reserve and Palmerston Square Reserve:
- 2. Note the issues associated with fenced dog exercise areas and the design considerations as provided in the Ordinary Council Agenda of 25 July 2017; and
- 3. List funds in the 2018-19 Long Term Financial Plan to prepare an Open Space Master Plan for Palmerston Square Reserve that further considers the possibility of a fenced dog exercise area and takes into consideration the space required to socialise dogs, whilst ensuring that pet owners continue to take responsibility for their dog and the fenced area does not adversely affect the reserve amenity.

In June 2018, Council (OCM – 15/06/18) resolved in part to:

"Requests the Town Assets Committee to undertake a community engagement with users of Palmerston Park to identify people who would be interested in participating in a Working Group of the Town Assets Committee in order to identify capital works improvements that could be made to the park that would increase the amenity of the park for local users, and approves the expenditure of up to \$500 by the Town Assets Committee for the creation of temporary signage; letterboxing flyers; and catering for community and working group meetings to facilitate this community engagement."

In regards to the OCM - 15/06/18 resolution, due to competing financial demands, Council did not allocate funding in the 2018/2019 Budget to facilitate community meetings or to produce any concept plans.

As a result, the Town Asset Committee (TAC -7/08/18) recommended and Council resolved (OCM – 15/08/18) to request officers to present draft signage for Council's approval, seeking community feedback on improvements in Palmerston Park.

The estimated cost to have the draft wording printed onto two corflute (1 x 1 metre) sign plus installation and removal is approximately \$200. The Committee may wish to recommend that Council use Account 3913100 for the manufacture and installation of the signs.

COMMENT

As the 2018/2019 Budget does not include funding to create a Palmerston Park Concept Plan or Master Plan, the intention of the proposed signs to be erected on Palmerston Park are to promote the "Your Say Bassendean" website as part of a consultation process, to understand the community's aspirations to guide future budget allocations.

Attached to the agenda was a draft sign along with template information for the "Your Say Bassendean" website for the committee's consideration and feedback.

OFFICER RECOMMENDATION – ITEM 8.2(a)

That the Committee recommends to Council that:

1. Draft Palmerston Park sign attached to the Town Assets Committee Agenda of 6 February 2019, be endorsed;

- 2. The manufacture and installation of the Palmerston Park sign be installed using funds from the 2018/19 Budget Account 3913100 at a cost of \$200 and the sign be installed for an advertising period of 6 weeks; and
- 3. The 2018/2019 Budget does not include funding to create a Palmerston Park Concept/Master Plan and that the proposed signs to be erected on Palmerston Park are to promote the "Your Say Bassendean" website, to allow for resident feedback, as part of a consultation process to understand the community's aspirations to guide possible future budget allocations.

In accordance with Committee discussion for item 7.2, it was agreed by the Committee that Officers and Council should work with local community stakeholders and local residents on what they would like to see at this reserve. Communication should also include signage at the park, a letterbox drop to local residents and general advertising.

Officers will prepare a report to Council on how the Town can engage with local community stakeholders on the future use of Palmerston Square Reserve.

COMMITTEE RECOMMENDATION - ITEM 8.2(b)

TAC - 8/02/19

MOVED Cr Wilson, Seconded Cr Hamilton, that Officers prepare a report for Council on engaging with local community stakeholders on the future use of Palmerston Square Reserve.

12.0 CLOSURE

The next meeting of the Town Assets Committee will be held on 10 April 2019, commencing at 10.00am.

There being no further business, the Presiding Member declared the meeting closed at 12.13pm.

1 Underground Power Policy

The Town of Bassendean desires a high level of amenity for its residents. This policy provides a mechanism for improving amenity by promoting and assisting with the undergrounding of power.

Objectives

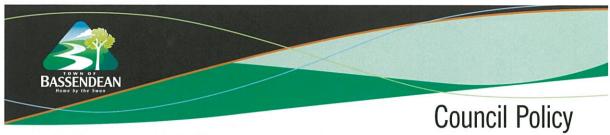

The objectives of this policy are to:

- Advocate to State Government for the installation of underground power in appropriate locations within the Town of Bassendean.
- Establish the ways in which costs associated with the installation of underground power shall be recovered from property owners
- Lobby the State Government to reintroduce a subsidy for socio-economic disadvantaged areas.

Strategy

The Town of Bassendean will achieve these objectives through:

- Advocating to the State Government at every opportunity to achieve the undergrounding of overhead power distribution that currently exists in the Town of Bassendean.
- Partnering with relevant agencies on the planning and delivery of underground power.
- Identifying strategies for the funding of the underground power installation which minimise the cost to the Town and property owners.
- Developing a program to deliver the undergrounding of power to areas where overhead power currently exists in the shortest possible timeframe.
- Supporting a method of equally distributing costs for underground power projects as follows:
 - State Underground Power Project (SUPP) 50% funded by State/City and 50% funded by property owner: or

- Local Government client funded underground power project 50% funded by City and 50% funded by property owner exclusive of any contribution by the State
- Advocating for a change in method for distributing costs for underground power projects that reintroduces a subsidy for socio-economic disadvantaged areas.
- Developing and implementing an education campaign with the community to explain the benefits of undergrounding power prior to any surveys being made.
- Continuing to make contributions to a reserve fund to assist residents facing financial hardship with meeting the property owner contribution costs of undergrounding power.

Detail

Application of this Policy

A schedule of contributions required from benefitting property owners forms part of the procedures associated with this policy. The method of distributing this contribution by the property owner is included in the Underground Power Procedure.

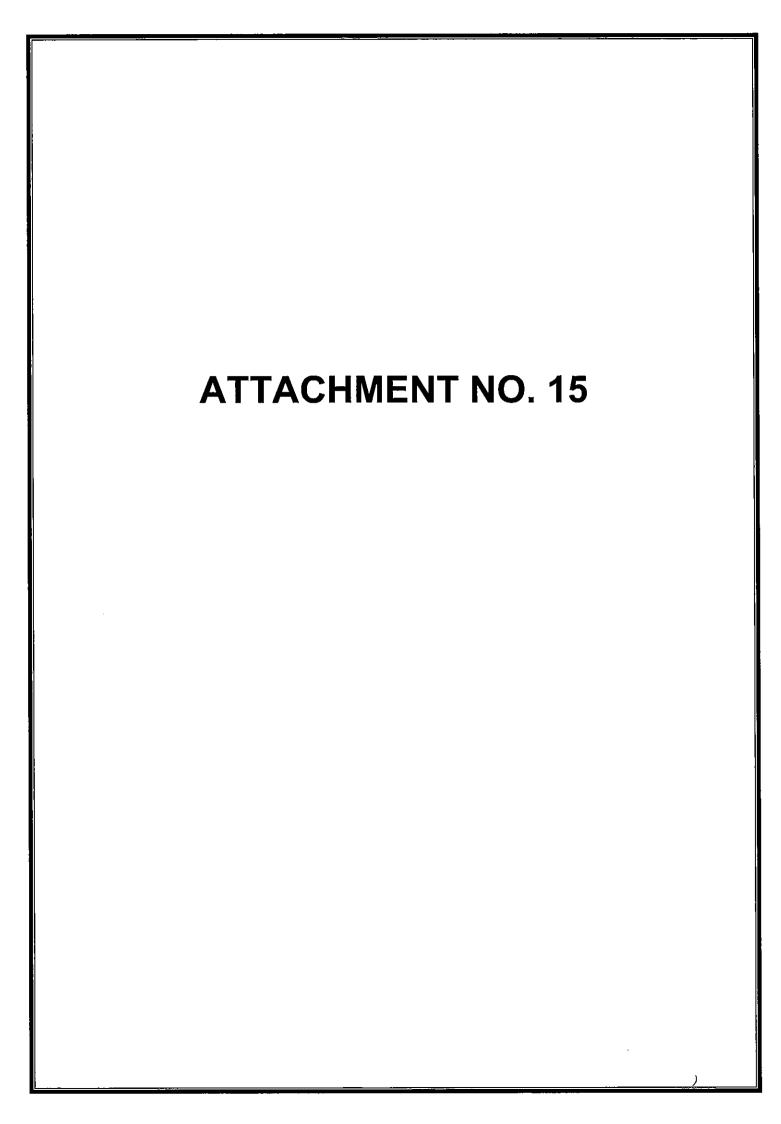

The Town will seek update the Western Power street light network to the latest technologies including but not limited to light-emitting diode (LED) luminaries and smart control.

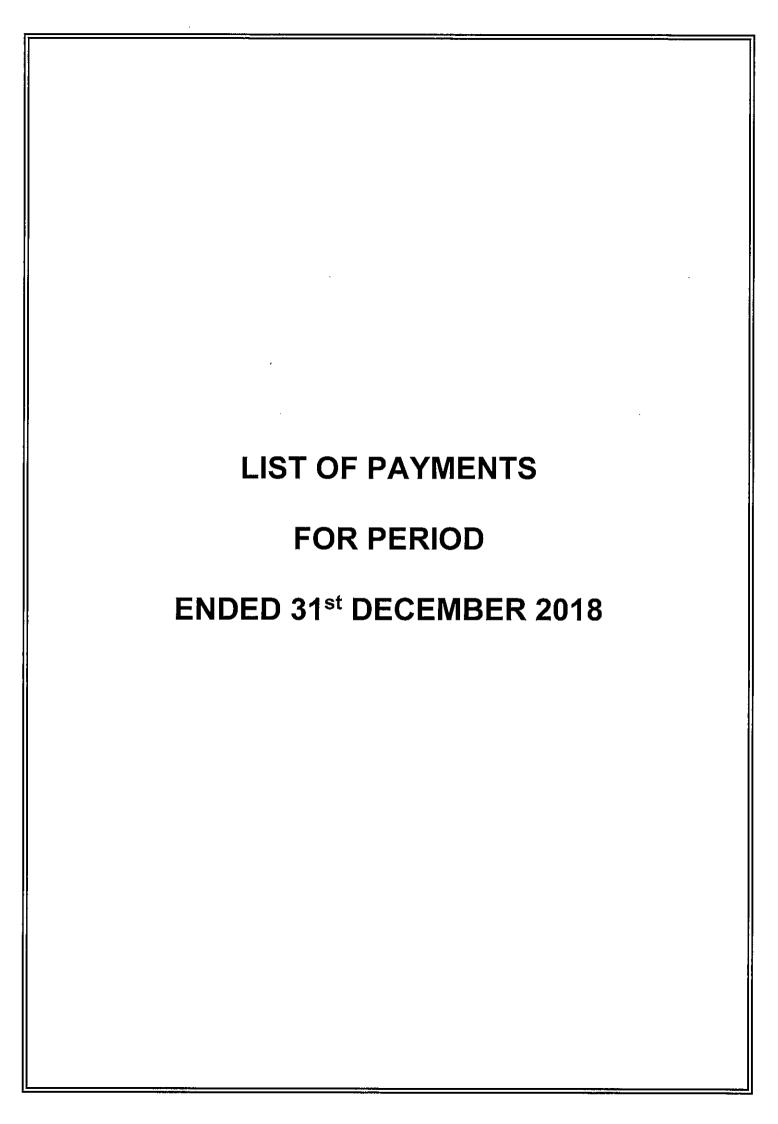

Application

Responsibility for the implementation of this policy rests with the Mayor, Councillors, Council delegates and Chief Executive Officer. The Chief Executive Officer (CEO) has the authority to administer the requirements of this policy. The CEO has ondelegated this authority to the Manager Asset Services.

The Policy is to be reviewed every five years.

Comments - Rating Information

to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the Local Government services/facilities.

The Rates for 2018/19 were issued on the 10th August 2018. The due date for the payment of rates is September 14th 2018, unless the option to pay by instalments is taken. Rates instalments are subject to an instalment fee of \$36 and 5.5% interest. Instalment dates for 2018/19 are:

1st: 14 September 2018 2nd: 16 November 2018 3rd: 18 January 2019 4th: 22 March 2019
