

Council shows lead in local government reform

In a 6/3 decision at the Council meeting held on 8 March, Councillors voted for a complete spill at the Local Government elections to be held in October 2011.

While subject to approval by the Local Government Advisory Board, the Minister for Local Government and the Governor, this means that only six Councillors will be elected in October—thereby reducing the number of Councillors in the Town by three.

The landmark decision also includes doing away with the wards structure currently in use in the Town. Candidates for election will now need to campaign throughout the entire Town, as each new Councillor will need to be voted in by all electors in the Town.

Council had previously indicated to the Minister for Local Government that it would consider these changes as part of its response to the Minister's call for reform in Local Government. As soon as the Minister makes a decision on the Council's proposal, the community will be informed via the local newspaper and a future edition of the *Bassendean Briefings*.

You are invited to come along and join in the Anzac Day memorial service on **Monday 25 April 2011 at the Town's War Memorial in Old Perth Road, Bassendean, at 11.00 am.**

Immobilised persons requiring transport to attend the parade or service should call the Volunteer Centre on 9377 2190 or contact the RSL on 9377 1144.

from the mayor

This year has been a very productive year for Council and we are only halfway through it—and this edition of the *Briefings* is no exception.

In this edition of the *Briefings* there is an overview of the Council decision on the Ward and Boundary review where Council has resolved to reduce from 9 Councillors to 6 Councillors, to abolish the wards to become one district, and to declare all Councillor positions vacant at the upcoming elections in October.

There are also updates on the Civic Precinct Plan, the Broadway Arboretum Concept Plan, the Jubilee Path Network, and the Bassendean Tennis Courts.

The annual green waste collection is on again and you can find out when your street collection will commence. You can also find information on the Bassendean Memorial Library's annual Foolish April book sale inside.

As this year is the 10th anniversary of the International Year of Volunteers, we focus on the wonderful job our volunteers do in the Town and let you know how you can be involved.

I hope you enjoy reading this edition of the *Bassendean Briefings* and I look forward to seeing you at all the events and community activities that are advertised in this edition.

Kind regards,

Cr John Gangel
Mayor

New limits for non-book loans from the Library

The Library has been continuously adding new purchases and donated materials to the library shelves. The collection has been growing and diversifying to the point where the numbers and types of material a library member can borrow at any one time is being changed.

From the end of March 2011, a member can borrow a total of 15 items on their library card! There remains a limit per person on the number of DVDs and CDs. (The Library still doesn't have enough non-book material in stock to allow unlimited loans in these two categories, so we have to have limits.) You can now borrow four DVDs and three CDs on your card. Otherwise, all the stuff we have in the Library is waiting to be used, read, listened to, looked at and enjoyed.

Home delivery service

The Library has a dedicated team of volunteers and staff who between them select and deliver books, magazines, large print and audio books, DVDs and CDs to those people in the Town of Bassendean who are unable to get to the Library but would like to use its services.

If you know of anyone in your street or neighbourhood who could use this service (the Home Bound Delivery) then get in touch with the library. You can ring us on 9279 2966, or send an email to baslib@bassendean.wa.gov.au or have a chat when you next pass by and let us know.

The Library will contact these people and see what can be done to assist them through our home delivery service.

We would like to acknowledge our team of volunteers who collectively make this wonderful home service possible—Vivienne, Shirley, Julie and David, and our drivers John and Gordon. Thank you!

PSST!

We are moving the books and audio material around on the shelves to make it easier for the new acquisitions to be found and the more popular loan items to be 'got at'. Come and have a look in the last week of March!

Premier's Australia Day Award Winners

At the Australia Day celebrations on 26 January 2011, the Mayor had much pleasure in presenting two Premier's Australia Day Active Citizenship Awards.

The first of these was to Allan Caddy, who was the winner of this year's Premier's Australia Day Active Citizenship Award for a person over 25 years.

Allan was nominated for his work in fostering a 'sense of culture' in the Town of Bassendean through his role in establishing the Town's new library. Allan has helped to make the Bassendean Memorial Library an iconic hub for residents, making it one of the best-used libraries in the state.

Allan has also used his connections and knowledge of the community to take a leading role in establishing the Bassendean Historical Society, the Local Studies Collection, the Annual Library Lecture, the Town's Brass Band, and the first Town Fair, amongst other cultural initiatives. In all, Allan has served this community for nearly 40 years.

The second Award was to Joyce Tasma, who was the winner of this year's Premier's Australia Day Active Citizenship Award for a community event.

Joyce was nominated for her outstanding role in facilitating a series of community art projects, involving teaching the community new skills in using fibre, found and recycled objects to create artworks; and the establishment of 'Fibrant', a group of interested weavers who meet on a regular basis to pass on their skills to a range of different groups within the community. All of Joyce's hard work has contributed greatly to cultural development within the Town of Bassendean.

Congratulations to both winners!

Do you know who to call in an emergency?

The primary number to call for emergency assistance for Police, Fire and Ambulance from any phone in Australia is **Triple Zero (000)**.

- If someone is seriously injured or in need of urgent medical help;
 - If your life or property is being threatened; or
 - You have just witnessed a serious accident or crime;
- then stay focused, stay alert and call **Triple Zero (000)** and stay on the line.

Triple Zero calls are free.

If you are deaf or have a speech or hearing impairment call **106**. This is a Text Emergency Call, not an SMS. You can call from teletypewriters. Just tell us which service you need and where to come.

National Volunteer Week 9–15 May 2011

National Volunteer Week®
9–15 May 2011

National Volunteer Week is the largest celebration of volunteers and volunteerism in Australia.

Throughout Australia, organisations and communities recognise and say 'Thank You' to more than 5 million Australians who volunteer.

Volunteers are essential to our communities and contribute over 700 million hours of service. Without these wonderful people many community groups and organisations would struggle to survive. Throughout our own community we have volunteers who assist in community health care, heritage, arts, environment conservation, emergency services, education, social justice and sports.

To all our Community Volunteers we say 'Thank You'.

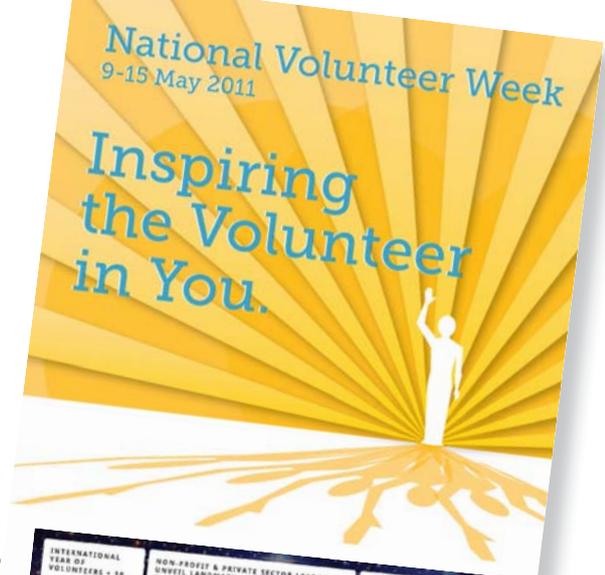

If you are looking to volunteer keep a lookout for our display at the Bassendean Memorial Library during May, or call our Centre on 9377 2191 to find out more.

Our Volunteer Centre

March 17 sees the fifth year of our Volunteer Centre here at the Bassendean Seniors' and Community Centre, 50 Old Perth Road, Bassendean. Our centre provides a free community service link between not-for-profit community organisations looking for volunteers, and individuals or groups looking to volunteer.

We link in with over 100 local and wider-metropolitan not-for-profit community organisations, as well as 26 other volunteer centres throughout the state.

Volunteering is all about engaging with the community and lending a hand.

Stuart, Colin, Fran and Julie—just some of the community volunteers who assist at our centre. There are many more who assist and we thank them all.

Council to look at other options for upgrade to Town Centre precinct

AT ITS MEETING on 8 February, Council considered community comment on the latest proposed designs for the upgrade of the Civic Centre facilities in Old Perth Road and decided not to proceed with the plans as presented.

In October 2010, Council requested community feedback on a proposal for improvements to the Civic Precinct in Old Perth Road through a special edition of the Bassendean Briefings.

In response to the survey, a total of 108 submissions were received, with 38 responses in favour of the proposal, 65 against and 5 providing comment judged not to be expressing support or objection to the proposal.

Issues raised

The more common issues raised in the feedback to the proposal were:

- The decision should be deferred until the amalgamation issue is resolved.
- The cost of the project and the impact on rates.
- Loss or absence of trees.
- Loss of green areas from Old Perth Road.
- Objection to moving the War Memorial.
- Cafe introduces unwarranted competition with other cafes/shops.
- Unsuitable design for an established town centre/design of building.
- The proposed community hall would not be suitable for multi-arts purposes or a performing arts centre.

Council decided to look at a more modest proposal that examines the feasibility of improving staff accommodation and the condition of the existing administration building, and to examine cost-effective ways of improving the community halls on the site.

Doctor takes to the street

There is now a Street Doctor clinic in Ashfield in the car park next to the Ashfield Community Centre every Friday from 9.30am to about 1.30pm.

The service specialises in the health needs of ATSI residents in the Town and has proven a great success since commencing in early February.

The Street Doctor service, which is an accredited GP clinic, operates out of a van which has been custom-made to hold most equipment you would find in a mainstream medical clinic. The services offered are the same as a GP clinic: general medical consultations for physical and mental health conditions, treatment and referrals to specialist services, immunisations, screening for blood-borne viruses and sexually transmitted infections, blood tests, PAP smears, stitching lacerations, removing skin lesions, and so on.

The van is also a consulting room with a doctor and nurse in attendance. The Street Doctor also has an Aboriginal Outreach Worker to greet people, collect names of those interested in seeing the doctor and nurse and to generally make sure they are comfortable.

Appointments are not needed—it is a first-in, first-served arrangement, unless of course someone needs medical attention urgently.

Mayor Gangell and CEO, Bob Jarvis, inspect a new addition to the Town's fleet of vehicles, demonstrating the Town's commitment to the 'Eyes on the Street' program, where all of the Town's vehicles and staff provide an additional level of surveillance to complement the work of the WA Police.

Eyes on the Street

'EYES ON THE STREET' is an intelligence-gathering program encouraging State Government Agencies, Local Governments and businesses to identify, record and report suspicious behaviour to the Police.

The Town of Bassendean is actively involved in the initiative and has recently begun the branding of strategic vehicles used to service our community. The branding of vehicles helps to deter crime by ensuring that people can see our staff are monitoring the neighbourhood and will be reporting any suspicious behaviour to Police.

Members of the community are also strongly encouraged to report any suspicious behaviour they may witness to the 'Eyes on the Street' reporting line. If you see any suspicious behaviour in your neighbourhood, please call 131 444 to report it—every bit of information helps!

New tennis courts now available

THE TOWN of Bassendean is pleased to announce the opening of the second stage of the BIC Reserve Tennis Courts Project. This is the completion of the staged project which includes two new floodlit hard courts and two new floodlit synthetic grass courts.

These brand new tennis courts will be a fantastic addition to the Town's facilities and provide a great opportunity for the Town's residents to interact with friends and family—and increase their active participation in sports. The courts are available for use by the Bassendean Tennis Club and the wider community.

For any further information on the BIC Reserve Tennis Court Project, please contact the Town's Manager Recreation & Cultural Services, Mr Ross Rayson, on 9377 8006.

For bookings please contact the Bassendean Tennis Club on 0401 127 949.

Jubilee Path Network

THE TOWN is currently on a mission to increase community participation in active living and recreation and has recently adopted a physical activity plan to attain this goal.

It is envisaged that the installation of a dual use path network and outdoor exercise equipment at Jubilee Reserve will encourage people of all ages to be active. The dual use path will stretch throughout the reserve with strategically placed exercise/gym equipment to assist with a workout. This will also be of benefit to the many sporting clubs utilising Jubilee for both their pre-season and in-season training.

Construction is expected to begin in April, with the path and exercise equipment expected to be completed by June.

For further information on the project, please contact Mr Ross Rayson, Manager Recreation & Culture, on 9377 8006.

Ashfield Neighbourhood Watch makes an impact

NEIGHBOURHOOD WATCH is making its presence felt in Ashfield after less than a year in operation. The following Ashfield Crime Report from Kiara Police Station is very encouraging:

- Burglaries down 40%;
- Motor vehicle theft down 30%;
- General theft down 10%;
- Property offences down 62%;
- Graffiti down 30%; and
- Crime in general down 20%.

Congratulations to all participating residents and Neighbourhood Watch Street Representatives.

For information on the Ashfield Neighbourhood Watch group, contact Verna on 9279 3157.

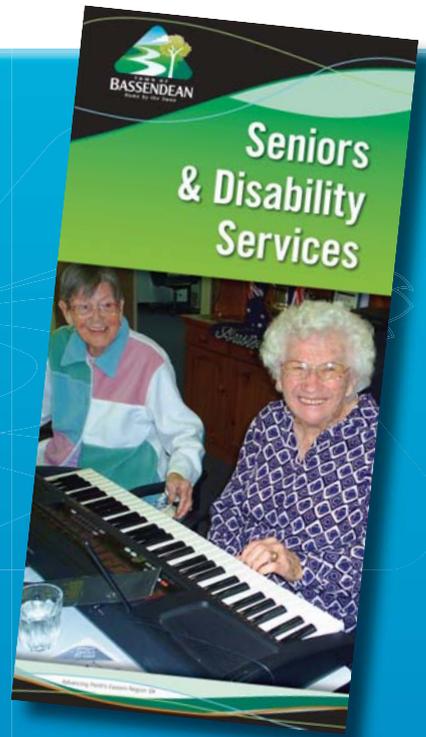

Green Waste Collection

THE TOWN'S mixed green waste collection, held annually throughout the Town, is due to commence at the end of April. The Town is broken up into 12 zones which are then serviced over a 6 week period.

Please refer to the 'Verge Collections' section of your Waste & Recycling Guide 2010/2011 for the date for your area. It is important that you read the guide carefully for what will and will not be collected, as anything which doesn't comply will be left behind and you will have to arrange disposal.

Although this event is held only once a year, passes to the Red Hill tip are available from the Customer Service Centre or Library should you wish to dispose of additional waste throughout the year. A maximum of 4 passes are available and each pass entitles you to dispose of waste to a maximum of half a tonne (6 x 4 trailer or ute).

Please be advised that only valid tip passes will be accepted at Red Hill—if you present an expired pass it will no longer be accepted and a fee will be applicable.

Football season parking

Bassendean Village Shopping Centre

Have you seen the sign at the entrance to the Bassendean Village Shopping Centre that sets out the parking restrictions? There are half-hour and two-hour parking bays available.

The Town's Rangers enforce these restrictions with vigour when the Swan Districts Football Club has a home game, as supporters of the respective sides are looking for parking and the obvious place to park is in the shopping centre car park. The restrictions are enforced to ensure that our residents have ample parking at the shopping centre when they are legitimately shopping.

If you are unsure where to park when shopping or going to the football call the Rangers on 9377 7480 to discuss—and avoid getting an infringement.

Jubilee Reserve

Parking in and around Jubilee Reserve throughout the football season is at a premium. To reduce the impact on properties in the area, please do not park on private verges unless you have the owner's permission. Please park in accordance with the signed restrictions.

Swan Districts Football Club home fixtures

The WAFL season is on again. Why not spend a pleasant Saturday afternoon at Steel Blue Oval, Bassendean, watching the Swan Districts Football Club defend their Premiership?

The Club's home fixtures for the first part of 2011 are:

- Round 5: Saturday 16 April – Swans v South Fremantle.
- Round 6: Monday 25 April – Swans v Perth.
- Round 9: Saturday 14 May – Swans v Subiaco.
- Round 11: Saturday 28 May – Swans v Claremont.

Broadway Arboretum Reserve community consultation

IN EARLY January 2011, Council commenced a process of community consultation for the draft Broadway Arboretum Reserve Concept Plan.

The purpose of a Concept Plan is to guide the future funding requirements, development and improvements to the Reserve.

Feedback from the initial community consultation has been a valuable source of information for the design process. In May/June 2011, it is intended that the draft Concept Plan will be advertised in the local paper, on the Town's website, and be available at the Bassendean Memorial Library to seek community comment. Council will review the comments received prior to adopting the final Concept Plan for the Broadway Arboretum Reserve.

In the meantime, vandalised playground equipment has been repaired and routine maintenance activities are being undertaken.

The Leisure Course Program has changed!

Parlez-vous
Français?

The Town is no longer delivering a separate brochure for its Leisure Course program. Information will be provided through the *Bassendean Briefings*. Most of the information on courses—including start dates, enrolment dates, classes available and a description of the classes—will be available on the Town's website at www.bassendean.wa.gov.au.

The Town is able to conduct the classes for a longer period during each term. This will also make it easier to remember start and finish dates as Leisure Course terms will be run in conjunction with school term dates.

Re-enrolments are still required each term and the Town is hopeful that eventually we will have the ability to implement online enrolments.

Dates and Leisure Courses available for Term 2–4 on the website are subject to change and adjustment throughout the year. Start dates and courses available will be finalised at least 7 days prior to enrolments opening.

Any queries can be directed to Recreation Services at the Town of Bassendean on 9377 8000.

Classes available in Term 2 are:

- Creative Music & Movement for Babies
- Creative Music & Movement for Toddlers
- Junior Art
- Lee Lenyk – Getting in Touch with the Self
- Monday Night Tai Chi
- Tuesday Morning Tai Chi
- Tennis Coaching

- Monday Night Yoga
- Thursday Morning Yoga
