Reuse & Recycle in the Community

www.rgang.org.au

www.recyclingnearyou.com.au

Items can be reused or recycled at the following locations:

Batteries (household)

Recycle household batteries by dropping them in the battery bins located at all local libraries, Council offices and selected shopping centres and schools. Visit www.rgang.org.au for a full list of locations.

Books, bric-a-brac, clothing, furniture

If your household furniture is in good, clean condition, please donate it. Visit the Giv.org.au website to find a convenient location where you can donate or find a contact number to organise free home collection of larger household items.

Building and demolition waste

To find local recycling options for construction and demolition waste visit www.recyclingnearyou.com.au

• Red Hill Waste Management Facility (fees may apply)

Computers and televisions

The National Television and Computer Recycling Scheme is a recycling service for unwanted televisions, computers and computer products (such as keyboards, mouse devices and scanners). Households, small businesses and schools can drop off their unwanted televisions and computers free of charge to Red Hill Waste Management Facility. Items must be "whole". Equipment that has been dismantled for spare parts or valuable commodities and CRT's (screens) out of casing or cracked or broken are not able to be accepted.

Cardboard / packing boxes

• Red Hill Waste Management Facility - There will be no charge for residents if cardboard is packed flat and with no foreign matter.

Car parts / bodies and batteries

• Check the Yellow Pages for a local scrap metal dealer.
• Car batteries and other batteries can be taken free of charge to Battery World stores.
• Red Hill Waste Management Facility (fees apply).

Fluorescent globes

• Drop them off at Council offices, selected libraries and shopping centres. For your nearest drop-off point visit www.rgang.org.au (households only, no businesses).

Mattresses (fees apply)

• Hazelmere Resource Recovery Park (08) 9274 7807
• Red Hill Waste Management Facility (08) 9574 6235

Medicines / needles / sharps

• Take out-of-date or unwanted medicines, needles and sharps to participating local pharmacists to make your home a safer place. Don't put them in your general rubbish or flush them down the drain. Place all needles and sharps in a clearly marked, rigid, sealed container.

Mobile phones

Most mobile phone retailers will take these back, or try:

• www.mobilemuster.com.au
• www.arj.net.au

Paint

• Visit www.paintback.com.au for a list of locations.

Plastic bags

• Recycling bins are available at the front of most Coles or Woolworths supermarkets to recycle any soft plastic bags.

Polystyrene packaging

• Polystyrene cannot be recycled using the yellow-top recycling bin. Take your polystyrene to be recycled to CLAW Environmental, Welshpool, (08) 9333 4888

Printer cartridges

• Many printing supplies stores can refill your cartridges or will take them for recycling. Check the Planet Ark recycling boxes in participating libraries and post offices.

Spectacles and reading glasses

• Many optometrists collect used spectacles and reuse them.
• Contact your local Lions Club, they run a recycling reading glasses program.

EMRC Waste Education Program

Waste Education Officers provide free tours for schools and community groups of the Red Hill Waste Management Facility and conduct activities at the Red Hill Environmental Education Centre. Officers also provide free waste education talks, workshops and training courses, and coordinate the school and public place battery and fluorescent light collection programs.

For more information visit www.rgang.org.au or call EMRC's Waste Education Officers on (08) 9424 2271.
