CARRIED

5.0 WORKSHOP TOPIC

5.1 NAIDOC Family Day

The YAC met to discuss ideas for the upcoming NAIDOC Family Day. Members identified a number of activities and providers which had been used previously at the Gravit8 Youth Festival such as the Game Vault Trailer, Urban Art demonstration, Temporary tattoos, DJ and a ride sourced from Airborne Amusements.

There was information presented by the YDO that a much earlier booking would have been required for the Game Vault Trailer, and that the budget allocated could not accommodate it. A couple of YAC members suggested setting up a racing seat and PlayStation from existing equipment for 'hot laps', and the use of a VR headset owned by one of the members of the public in attendance. Some YAC members agreed to be available on the day to facilitate these activities.

After a suggestion from the YDO, the YAC agreed it would be worthwhile presenting the RYDE vehicle as a static display, as the program may be of interest to many in attendance.
