I love our Town for all it has to offer. Growing up in Eden Hill & Bassendean, it was a natural choice to raise our young FAMILY here, given the unique country feel & wonderful community.

As a mum, I wish to ensure we cultivate strong foundations for FUTURE GENERATIONS to thrive in our remarkable environment.

My high-level skills gained in my career, Organisational Development, will be advantageous to the role of Councillor.

I'll prioritise and partner with residents to promote:

- \* A vibrant community spirit via expanded event activities

- \* Heritage preservation
- \* Ensure RATES are wisely spent improving financial sustainability
- \* Improve our natural environment and tree canopy
- \* Support our seniors & improved multigenerational living with realistic urban growth adding to a sense of belonging
- \* Ongoing asset renewal

With your support, I would welcome an opportunity to SERVE our community & champion your aspirations to enhance the things we love about our Town.
