Building Community For Community

Service and care for a broad and diverse community particularly our young and aging members are the hallmarks of my life.

My core focuses will be on core community initiatives.

“Eyes on the Street”

Upgrading & activating our Recreational Space for all

Keeping Council Rates Low

Working on Sustainability issues, and Preserving our river.

I have been an active member of our community over many years in various roles.

My heartfelt interest is in working collaboratively with councillors to bring about the best outcomes for you and our town.

I believe sports and inclusive activities strengthen and activate our community and in turn pay a role in reducing crime and anti social behaviour.
