As an experienced governance and strategy professional with many years of active community volunteering, I am proud to call Bassendean our home. With a high level of integrity, honesty, and directness, while remaining open-minded, I pride myself on being a pragmatic and analytical decision maker.

Over the last 8 years, I've been actively involved with the Town in many ways. Prior to covid I was a leading member of the Town's Business Festival working group, I've served on the board of our local Casa Mia Montessori School, and since the last 2 years I'm an active member of the Town's Audit and Governance Committee, all of which have given me a good understanding of some of the many aspects, issues, and potentials of and for our community.

Local Government is an important part of the Town's future and as a councillor, I believe I can make a positive and passionate contribution to the growth and diversification, whilst ensuring a green and sustainable future for our Town.
