I feel privileged to be able to represent you, and my passion for our community continues to be my driving force.

As a long term resident I'm determined to preserve what makes our Town special, including our environment, foreshore and heritage areas.

Having had successful tenure at state level in Justice, Housing Premier/Cabinet, I bring valuable analytical skills critical to the role of Councillor.

I'm proud of Council's past achievements including Sandy Beach Playground, Urban Forest work, and CCTV Rebates. I supported recent projects such as lighting for Ashfield Reserve and Bassendean Oval, foreshore work at Success Hill and Sandy Beach, and progressing the Point Reserve Plan to name some highlights for 2024.

Listening to community, I will continue to work hard to ensure responsible stewardship of resources for multiple priorities.

There's more to achieve together, and with your support I will continue to serve, listen and be a strong advocate for you, your family and our community.
