

Candidate Details

District	Town of Bassendean
Candidate Name	Heinrich BENZ
Ballot Paper Name	BENZ, Heinrich
Nominating for	Councillor
Election Type	Ordinary

BENZ, Heinrich

I have been living in Bassendean for 26 years. My children have gone to Bassendean Primary School and Governor Stirling Senior High School. I obtained a Bachelor of Communications (Honours) in 2006. Prior to my studies I spent over twenty years in Information Technology Management. Currently I am volunteering with 5000 Meals and the Repair Cafe.

The WA government long-term plan for Perth requires a large increase of housing units in Bassendean. To achieve that I support higher density around the train stations, whilst keeping the other areas zoned in a way that supports the green and leafy feel of Bassendean

I want to maintain a high standard of liveability for all Bassendean residents. This includes a healthy environment, retaining and planting trees and easy access to the river.
