## PORTER, Andrew

We need a voice on council who stands for honesty, transparency, positivity and effective communication. My goals are straightforward and I'm asking for your vote. I'll work to prioritise the well-being and safety of our community – especially our young and senior members. Achieve real financial benefits through fiscal control and innovation – let's stop punishing families with unnecessary rate increases! Provide more certainty for local business. Create safer roads and improved accessibility. Preserve our beautiful heritage and natural environment, and build better sports and recreational facilities along with parks and playgrounds not just in one, but all areas of our town. If elected, I'm committed to working diligently for our community. So please, vote Andrew Porter.
