

Candidate Details

District	Town of Bassendean
Candidate Name	Michael REINDL
Ballot Paper Name	REINDL, Michael
Nominating for	Councillor
Election Type	Ordinary

REINDL, Michael

My family's history in Bassendean dates to 1912, the year my Great Grandfather built a home in Parker Street. I love Bassendean and put myself forward as a Councillor because I believe in future of my community.

As an owner of a small business and with 25 years prior experience working in Government, my business acumen makes me ideal to become your next Councillor.

My strong passion for sustainability supports balancing social and environmental needs with economic outcomes. Therefore, I support

- A fair and reasonable system of rates that give ratepayers value for money outcomes
- The continued progress of projects around our Town's reserves and boosting Bassendean's association with the Swan River
- Supporting the feeling of community by fostering activities and events for our neighbourhoods
