## COPLEY, George

Dear Resident,

I have been living in Ashfield for close on 18 years and will continue to do so, Workwise, with over 30 years of senior positions within the hospitality and the tyre industry as well as Community based volunteer work. Where I have served on several committees within Swan Districts Football Club and held office as a former President and Treasurer of the Swansmen Inc.

I want to retain our unique way of living, but at the same time to be open to innovation and not be scared of trying some new ideas for the betterment of the whole of the Town.

I can assure all residents, if elected, I will act in the best interests of all residents on all occasions and assess all matters before the Council totally on merit without fear or favour and give a genuine commitment to our town. I ask for your vote.
