

Candidate Details

District	Town of Bassendean
Candidate Name	Renée MCLENNAN
Ballot Paper Name	MCLENNAN, Renée
Nominating for	Councillor
Election Type	Ordinary

MCLENNAN, Renée

It's been a privilege to represent our incredible community and serve as Mayor over the past two years. I've led a positive, collaborative Council during a period of transformation towards a more contemporary local government that's open, inclusive, responsive and facilitates our community's aspirations.

I've prioritised environmental sustainability, social wellbeing and economic responsibility, greening our streets, enhancing open spaces and progressing projects that strengthen our community, including nature playgrounds and a Men's Shed, while delivering the Town's lowest rate rises in many years.

I've listened to our residents and will continue to reflect the shared values of our community in shaping a vibrant future for Bassendean that meets the needs of current and future generations and is in harmony with the character and spirit of our Town.

With so much potential still to be realised, I'm seeking your support to continue building on what we love about Bassendean, together.
