

1. Overview

The Town of Bassendean Community Awards Program provides an opportunity for the Town to recognise and acknowledge individuals for their voluntary service within the community. The awards acknowledge excellence in community service and participation.

In July 2020, Council adopted a new Strategic Community Plan, which defines the Town's vision, aspirations and priorities for the next 10 years. The priorities in the Town being "Strengthening and connecting our community", "Leading environmental sustainability" and "Building community identity by celebrating culture and heritage".

One of the specific measures to deliver on the above is providing community awards that acknowledge and celebrate those who contribute to the Town's genuine sense of community.
