BULK RUBBISH COLLECTION 2020

Our contractor will be collecting your unwanted bulk goods in November and early December. Please read this flyer carefully to see what can and cannot be collected and when to put your items out for collection.

Please allow up to five days for collection to be completed. Refer to the adjoining district map for the set-out dates in your area.

Please refer to your Town of Bassendean Waste & Recycling Guide 2020/21 for further information on bulk rubbish collections.

Go to www.bassendean.wa.gov.au/binday click 'find my bin day' and enter your street name to display the set-out dates for your property.

You can utilise your **Town of Bassendean Tip Passes** to dispose of bulk rubbish at Red Hill if your set out date is not convenient for you.

IMPORTANT CONDITIONS

- **DO NOT** place any additional items on your verge after the **SET OUT DAY** for your area
- No returns will be made to a street for bulk rubbish put out late
- **DO NOT** obstruct footpaths or your normal kerbside bin service. Place bulk rubbish neatly on the verge so that it does not obstruct the line of sight of pedestrians, cyclists or motorists
- **ENSURE** your bulk rubbish pile/s are clear from power poles, street signs, utility boxes, water meters and sprinkler systems as these may be damaged during the collection process
- Spiked or sharp items must be contained or protected to avoid injury to waste removal workers. Small items should be boxed together.

DO NOT PLACE BULK RUBBISH ONTO ANY OF THE TOWN'S PARKS, RESERVES OR ANY OTHER VACANT LOT INCLUDING PRIVATELY OWNED VACANT LOTS OR OTHER RESIDENTS VERGES.
