Candidate name	Hayden Alexander LONG
District	Town of Bassendean
Nominating for	Councillor for Town of Bassendean
Election type	Ordinary
Enrolment status	LONG, Hayden is eligible to stand for election as a resident of the Town of Bassendean.

My wife and I are proud Bassendean residents who value our strong sense of community and green open spaces. After a long career in WA's resources industry, where I held leadership roles, I'm now retired and able to dedicate my time and energy to serving our community. I hold a degree Climate Science and Geology and as a two-time National Paracycling champion I've learned the importance of planning, persistence and hard work - qualities I will bring to council.

If elected, I will focus on: ensuring responsible use of council funds; protecting and expanding our urban tree canopy; supporting the rollout of underground power; improving footpaths and riverfront access; and revitalising Old Perth Road by attracting local businesses and encouraging community-friendly development. I'm standing for council to protect what makes Bassendean special and ensure it grows in a way that strengthens our community for the future.
