

## Town of Bassendean: Unwanted Species List

As part of the Town's Local Planning Policy No. 13 – Tree Retention and Provision (LPP 13), there is an exemption from requiring development approval where by the tree is included on the below list, or on the State Weed Register which is available on the [Department of Primary Industries and Regional Development website](#).

If a tree on your property is listed on the Town's Unwanted Species List or the State Weed Register, development approval is **not required** for their removal or other tree damaging activities. Please contact the Town's Planning Services if you have any questions relating to LPP 13 on (08) 9377 8000 or [mail@bassendean.wa.gov.au](mailto:mail@bassendean.wa.gov.au). Alternatively, a duty planner can be contacted in-person between 9:00am – 4:30pm Monday to Friday (excluding public holidays) at the Town's Customer Service Centre.

Scientific Name	Common Name	Photo Reference
<i>Schinus terebinthifolius</i>	Broad Leaf Pepper Tree or Brazilian Pepper Tree
