## **6.2 Land Use Classification**

The Town's Local Planning Scheme No. 10 does not define the various 'Short Stay Accommodation' land uses and as such, the use of land for such a purpose will be treated as a 'Use Not Listed' and advertised accordingly.

## **6.3 Assessment Criteria**

Short stay accommodation will generally only be supported where the accommodation meets the following criteria:

- (a) The site is located within an 400m walk from a centre or railway station and/or a 200m walk from a recognised high frequency bus route.

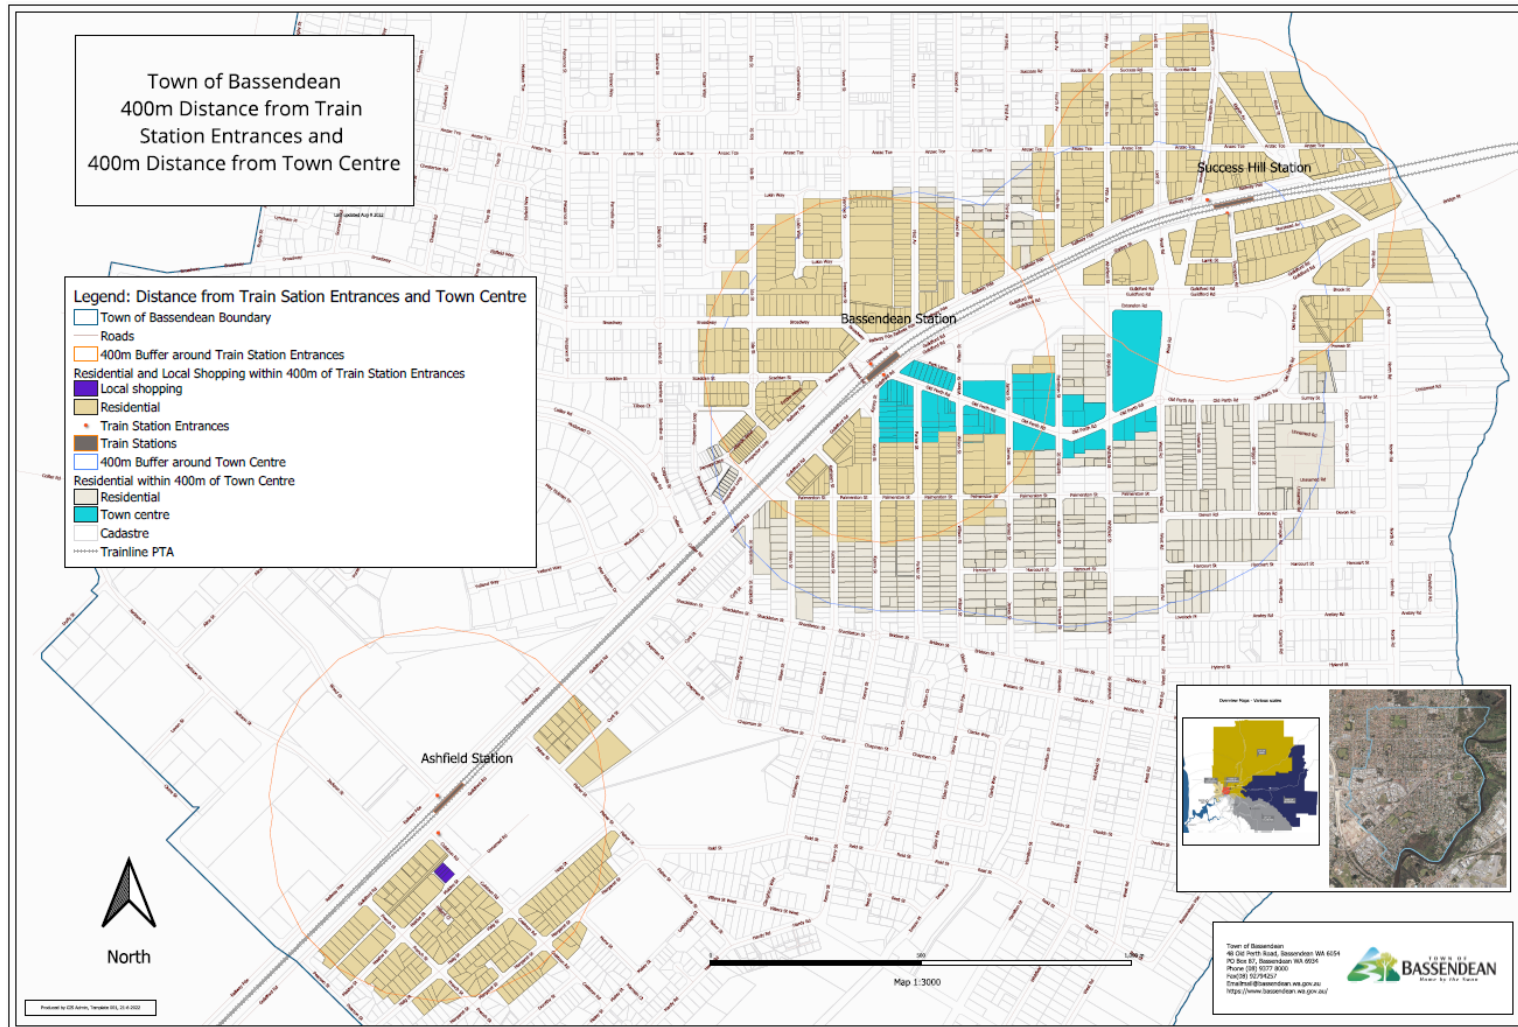

- (b) The site has direct access to a constructed road that has two exit routes (i.e., excluding situations where the sole access to the premises is provided from a cul-de-sac, right of way or battle-axe access leg);
- (c) Short stay accommodation in strata and community title developments will only be supported where:
  - (i) the strata company or community corporation has consented to the application; and
  - (ii) the short stay accommodation can operate without reliance on shared facilities.
- (d) The site is not identified as being at risk of natural hazards or alternatively, the relevant risk has been identified and appropriate mitigation measures proposed.
- (e) The operation of the proposed use shall minimise adverse issues, particularly amenity impacts on surrounding residential and other land use.
- (f) All car parking associated must be wholly contained on the same site as the short stay accommodation. Strata and community title developments must not rely on the use of visitor car parking bays.
- (g) The site shall be provided with adequate standard of services and infrastructure necessary to support the use.

#### **6.4 Conditions**

In approving an application for development approval, the Town may impose the following conditions.

If the Town is not satisfied of the previous performance, the application may not be supported.
- (c) The contact details of the owner/manager must be prominently displayed at the front of the property.
