

TOWN OF

Bassendean

Bark card

Dear dog owner,

This is a friendly note to advise you that your dog has been barking/howling/crying.

This mainly occurs:

- ☐ When you're not home
- ☐ At night
- ☐ On weekends
- ☐ All day long

My name is

Phone

I'm happy to discuss this issue with you to help identify the cause of the barking and reduce the noise.

This card has been provided by the Town of Bassendean Ranger Services to encourage neighbours to work together to resolve issues in the community.

Tips to help reduce barking

- Ensure your dog has adequate food, water and shelter.
- Take your dog for regular walks to ensure they're getting enough exercise.
- Introduce new toys and puzzles to keep your dog busy.
- Cover gaps in fences so your dog can't see outside the property.
- Keep your dog confined to the rear of your property.
- Consider behavioural and obedience training.
- Restrict your dog's vision of passing traffic.
- Consider bringing your dog indoors.
- Seek advice from your vet.
