HONOURING THEIR MEMORY ANZAC DAY COMMEMORATIVE SERVICE

ON Saturday 25 April 2015, our nation will commemorate the 100th anniversary of the Australian and New Zealand Army Corps, the ANZACs, landing at Gallipoli.

Anzac Day is a day of national commemoration when we pause to remember Australia's servicemen and women who served our nation with pride and valour in wars, conflicts and peace operations.

You are invited to come along to the Bassendean War Memorial, which is now located in the newly created Civic Gardens at the corner of Guildford Road and Wilson Street, Bassendean, and join in the Town's Anzac Day Commemorative Service.

11.00AM SATURDAY 25 APRIL

THE SPIRIT
LIVES
2014 - 2018

It's complete!

Mayor John Gangell with the Hon Alannah MacTiernan MP, Member for Perth, and Ashley Vince, President of the Eastern Regional RSL Sub-Branch.

Works on the new civic gardens and relocated Bassendean War Memorial are complete.

The project has completely transformed the BIC Reserve at the corner of Guildford Road and Wilson Street. The area is now a fitting memorial to our war dead and the men and women who have served our country both in war and in peacekeeping operations.

The War Memorial is now situated in a parkland setting and if you haven't already visited it and the civic gardens, then check them out soon.

2015 Annual Library History Lecture:

Bassendean Places and Faces

The Library is continuing its popular and interesting Annual History Lecture series and for 2015 our Local Studies Librarian, Janet Megaritty, will be presenting a talk titled ' Bassendean Places and Faces'.

Over the years, Janet has researched and gathered information on the Bassendean area, as well as the people who have contributed to the Town's development, and she is going to share some of the interesting facts about these historical and fascinating people.

Janet's talk will cover some of our streets, public spaces and places and link them to the people who have contributed to their development.

Her previous lecture on Earlsferry was very well received and the 2015 lecture promises equally high quality material.

The Annual History Lecture will be held on Wednesday 3 June in Meeting Room 1 at the Library from 7.00 pm for a 7.30 pm start.

Our lecture is a social, as well as an educational event, and is always well supported, so it is essential that you book with the Library as only 40 places are available. Light refreshments will be available.

Please book by calling the Library on 9279 2966.

Revised Local Planning Strategy adopted

The Western Australian Planning Commission has endorsed the Town's updated Local Planning Strategy.

The Town of Bassendean Local Planning Strategy is a strategic planning tool that enables the Council and community to set out its vision for the municipality, and to establish short, medium and longer-term directions for sustainable land use and development. The revised Strategy essentially examines how Bassendean will accommodate its share of the increase in population and houses that is projected for Perth and surrounding areas.
