

McDonald's *MOVIES BY* *BURSWOOD*

Movies by Burswood returns to Bassendean for a third season in 2013/14. The season commences on Thursday 19 December, and a program of the upcoming movies is shown on page 3.

The Bassendean venue is located on the BIC Reserve on the corner of Guildford Road and Wilson Street, behind the Bassendean Library.

All screenings commence at 7.45pm. Gates open at 6.30pm. Visit www.moviesbyburswood.com for screening updates, bookings and all information.

Old Perth Road Twilight Markets

Evening markets are popular because of their eateries—and the Old Perth Road Twilight Markets will be rich with choice.

The next three Old Perth Road Markets are shifting to Saturday and will all be held in the cool of the evening commencing at 5.30 pm and stretching into the night until 9.30 pm.

The first one on 21 December will be just before Christmas and will see the Bassendean Hotel offering mulled wine. The centre of the markets will be set out as the feasting area for all the food stalls and local cafes. 'Miam Miam' crepes will be one of them!

The Markets will also feature an eclectic range of stalls, which give it its atmosphere and appeal.

You will find the perfect last minute Christmas present from Fortworthington's Emporium, Republic of Little, Penny Sparrowhawk, Earth Products, Creative Waves, Honey I'm Home, Violet Clothing, Trappers Fruit & Veg, Spice Fetish, MiMelts, or any one of the 50 to 60 stalls that will be crowded into the street.

Local Government Reform—update

The State Government has once again changed its position on Local Government Reform and released yet another map indicating substantial changes to the Minister's first map. The revised map sees the Town amalgamated with Bayswater and parts of Stirling and Swan.

Notwithstanding the Minister's preference, the Local Government Advisory Board is still required to deal with each of the Submissions on their merits and make recommendations to the Minister. Unfortunately this process will not be completed until the middle of 2014, and the Town will not know its future until that time. The process has gone through many twists and turns over the last four years and continues to be an unacceptably poor process with the government continually making changes without consultation with the whole sector.

Mayor John Gangell

One new Councillor elected to council

Following the recent Local Government elections, the Town of Bassendean has one new Councillor—Cr Paul Bridges. Although a new Councillor in 2013, Paul was previously a Councillor from 1985 to 1990, serving as Mayor from 1988 to 1989.

Councillors Mike Lewis and Gerry Pule were re-elected for a further 4 year term. All three Councillors were sworn in at a Special Council Meeting on Monday 21 October. At this meeting, Cr John Gangell was re-elected Mayor for a 2 year term, with Cr Mike Lewis being elected Deputy Mayor, also for a 2 year term.

For a look at the composition of the current Council and their contact details, please see the back cover.

Nine candidates stood for the three vacancies, which demonstrates an interest in local government in the Town. Voter turn-out was similar to that of 2011, with about 30% of electors participating

Live It Up Expo

THE TOWN of Bassendean Seniors and Disability Services hosted a community event promoting good health and wellbeing called the 'Live It Up Expo' on Friday 1 November 2013.

This was a collaboration with the Bassendean Wellness Centre's Physiotherapists, Massage Therapists, Podiatrists, and Exercise Physiologists, and Stay on Your Feet WA. SDS provided a series of workshops and demonstrations/info sessions on a variety of health and wellbeing issues including managing medications, arthritis, healthy feet, and looking after your spine.

This event was open to all community members aged 50 years and over—with workshops, hands on activities, cooking demonstrations, relaxation and other tips on ways to stay healthy, happy and stress free. We had a great turn out and got great feedback from participants so we expect to host this event again next year.

Mosquito management: Working in partnership with our neighbours

THE TOWN has a mosquito control program that runs throughout the year. Unfortunately, mosquitoes do not recognise local government boundaries. Breeding in one area may affect residents in another.

The Cities of Bayswater, Belmont and Swan and the Towns of Bassendean and Victoria Park are working in partnership to address this problem.

This partnership ensures information and resources are shared and that issues are addressed regardless of boundaries. Funding is sourced directly from the Department of Health, thereby minimising the financial burden to residents.

You can help reduce mosquitoes by taking some simple steps to remove mosquito breeding habitats around your home. There are also a number of things you can do to help avoid being affected by mosquitoes.

For more information:

- visit the State Health Department's website at www.public.health.wa.gov.au;
- speak with an Environmental Health Officer at the Town on 9377 8000; or

Dog Act amendments

After many years of consultation and development, the amendments to the *Dog Act 1976* were recently passed by the Western Australian Parliament. The provisions, together with a new set of regulations, came into effect on 1 November 2013.

Some of the key changes include the following requirements:

- **Microchipping**—All new dogs, that is pups and other dogs being registered for the first time, and dogs where ownership is changing will need to be microchipped. All Dangerous Dogs (declared dangerous, restricted breed or commercial security dogs) will have to be microchipped by 30 November 2013. All other dogs have until 1 November 2015 to be microchipped. Please note however, that should your dog be found wandering and be impounded before this date, it will not be permitted to be released from the pound before being microchipped—this is at the owner's expense and will be charged as part of the reclaim fee.
- **Registration**—The option for lifetime registration will be available at a cost of \$100 for a sterilised dog and \$250 for an unsterilised dog. Pensioners pay half these amounts. Please note Dangerous Dogs can now only be registered annually.
- **Penalties have been increased** for all offences.

Should you seek further information on the *Dog Amendment Act 2013*, please refer to the Department of Local Government and Communities' website at <http://www.dlg.wa.gov.au/content/community/dogownership/amendmentbill.aspx>.

The Rangers would also like to remind people that dogs must not be walked off the leash anywhere in the Town unless they are in an Authorised Exercise Area. If you don't have your dog on a leash, you may receive an infringement. Even when in an exercise area, you must have a leash capable of restraining your dog at all times and have control of your dog. It must not be allowed to harass other people or animals.

Also, you must clean up after your dog. If you don't, or if you leave droppings in a bag on the ground, you may receive an infringement. Cleaning up after your dog helps to prevent the spread of disease and keeps the Town tidy.

THE MAYOR, CR JOHN GANGELL, THE COUNCILLORS,

Can you help?

THE LIBRARY'S Local Studies Collection is really keen to add two hard-to-get titles to its collection. Both books are out-of-print but have strong significance in our historical background. Do you have a copy of either of these works that you could make available to the Library?

We are looking for a copy of:

1. *Birding Sites Around Perth*
by Ron Van Delft (1988 or 1997); and
2. *Remarks of an Inexperienced Traveller Abroad* by
May Holman, edited by Judyth Watson (1995).

**If you can help, ring the Manager,
Allan Caddy, on 9279 2966.**
