

New playground opens in Ashfield

A new playground was officially opened in Ashfield by Mayor John Gangell on Monday 1 May.

The Playground, which is on the Ashfield Reserve between the Ashfield Community Centre and the Ashfield Sports Club, is the first of the district playgrounds to be constructed as part of the Town's *Playspaces Implementation Plan*. The Plan's aim is to rationalise and revitalise the Town's playspaces over the next ten years.

The playground design was finalised after consultation with the local community, and the Town's Disability Access and Inclusion and Children's Services Committees.

As such, the playground incorporates a range of play elements for all ages and abilities, and is the benchmark for future district playground development in the Town.

Local residents and children from the Wind in the Willows Child Care Centre, amongst others, enjoyed free entertainment and a sausage sizzle provided by the Ashfield Community Action Network before assisting the Mayor in cutting the ribbon to open the playground.

from the mayor

In this edition of the *Bassendean Briefings* you will find full details on the free Community Safety Forum that Council is running on Saturday 11 June in the Bassendean Community Hall from 12-2 pm.

I would encourage all residents to come along and ask questions and seek feedback from the Office of Crime Prevention and the WA Police about how we can all contribute to providing a safer community.

Council is also working towards the undergrounding of power in Ashfield, commencing in January 2012, and you can find out full details of this program inside the *Briefings*.

There is also information on how you can be involved in the Annual Bassendean Visual Art Awards, due to be held in September and October this year.

NAIDOC Day is on Thursday 7 July and the Town will celebrate this day at the Ashfield Reserve from 10 am to 3 pm. Please come along and be a part of the celebrations.

I hope you enjoy reading this edition of the *Bassendean Briefings*, and I look forward to seeing you at all the events and community activities that are advertised in this edition of the *Briefings*.

Kind regards,

Cr John Gangell
Mayor

Underground power in Ashfield a reality

The State Government has announced that the Town of Bassendean has been successful with its application to convert the existing overhead electricity system to a new underground system in Ashfield. This area will now become one of the 10 projects to be constructed between 2011 and 2014 in Round 5 of the Program.

A survey carried out by the Office of Energy revealed that 72.9% of Ashfield respondents indicated they were in favour of underground power and were prepared to contribute financially.

Western Power has advised that the final costs for property owners will be determined by December 2011 and will take into consideration existing underground power infrastructure and discounts under the *Rates and Deferment Act*.

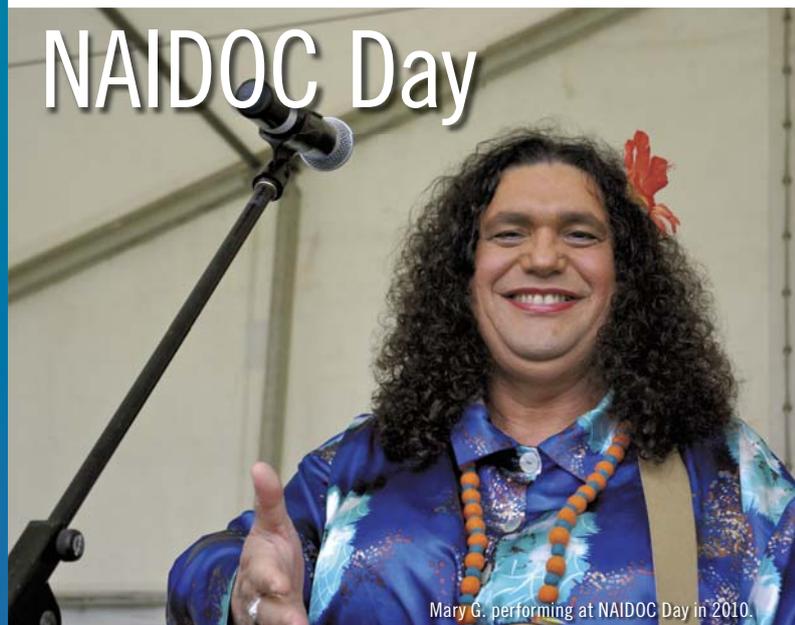

In July 2012, the Town will commence recouping costs for the Ashfield Underground Power project via instalments, subject to a timeframe to be approved by Council. Western Power has indicated that the project is likely to commence in January 2012 and will take approximately 12 months to complete.

The Town looks forward to working with Western Power on the project to convert the Ashfield area to underground power.

For enquiries regarding the Western Power underground project, contact Tony Moore or Stephen Phelan-Hollatz on 9219 2004 or email underground.power.program@westernpower.com.au.

For Town of Bassendean enquiries contact Nicole Baxter on 9377 9025, or email nbaxter@bassendean.wa.gov.au.

NAIDOC DAY 2011 will be held on Thursday 7 July 2011. The celebration will be held at the Ashfield Reserve from 10.00 am to 3.00 pm. The day will be comprised of a range of entertainment and activities for the community.

Further details on the NAIDOC Day celebrations can be obtained by contacting the Town's Cultural Development Officer on 9377 8000.

Old Perth Road Markets

Every month the Town's markets bring around 70 stalls to Old Perth Road, but have you thought about having a stall?

If you have visited the markets you will have seen that it doesn't need to be a major set-up at all. In fact, we have two types of stalls, the 3 m x 3 m sites along the middle of the street and those on a trestle table on the footpath.

So, if you like to make toys, or clothes, or perhaps you are good at crafts, or grow vegetables or plants, set yourself up and display your goods—it's great fun and very rewarding! Talk to your friends, and perhaps take a stall together. The markets are your markets and we want to see more stallholders from right here in Bassendean! You can't sell second-hand goods, only home made things and new things.

We also have the Community Stage. This is for performing. Are you in a church choir or like to do a bit of acting? The Community Stage is free and you can busk if you like. Just come along and put your name down on the list. We will fit you on to the stage in between the entertainment gigs that have been arranged.

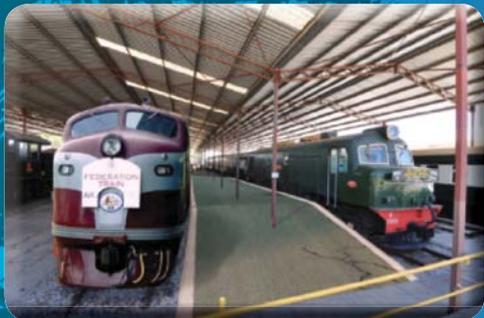

But if you're not the type to be presenting on stage and you don't have the inclination to set-up a stall, do try your hand at the Photo Competition! The Photo Wall is up and running and we are keen to get your photos from the markets! There are three categories: People, Detail, and Digital Dark Room to really open up your imagination.

So take a closer look at your markets and get involved!

It only costs \$35 to have a stall.

More details can be found on the markets website at www.oldperthroadmarkets.com.au or contact William Barry, Economic Development Officer, on 9377 8062 or email William at wbarry@bassendean.wa.gov.au.

Council aids Rail Heritage WA

Rail Heritage WA is working to build a unique attraction-based facility at their premises located at 136 Railway Parade, Bassendean.

Rail Heritage aims to:

- present an interesting exhibit, attractive to visitors of all ages;
- improve the relatively small number of tourist attractions in the inner eastern suburbs of Perth—some tourists unfortunately see this only as an area to pass through on their way to the hills or to the Swan Valley;
- make maximum feature of an iconic exhibit recently awarded to the Museum by the Commonwealth's Department of Infrastructure and Transport (against strong interstate competition); and
- increase financial viability of the overall Railway Museum.

To assist the group achieve their aims, the Town of Bassendean was pleased to waive the planning and building fees associated with the project, which has saved Rail Heritage WA \$660.

The Rail Heritage Museum is open on Wednesdays from 1.00 pm to 4.00 pm and on Sundays from 1.00 pm to 5.00 pm at 136 Railway Parade, Bassendean.

Leisure Courses

JUST A reminder to all that Leisure Course enrolments for Term 3 will open on 4 July 2011, with classes beginning on Tuesday 26 July 2011.

Classes being considered for Term 3 include:

- Pilates.
- Yoga.
- Tai Chi.
- Belly dancing.
- Language classes... and more!

For further details check out the Town of Bassendean Leisure Courses on the website at www.bassendean.wa.gov.au/6_recreation/leisure_courses.html closer to 4 July 2011.

Bassendean Cricket Club win Premiership and promotion

THE TOWN would like to congratulate the Bassendean Cricket Club for their victory in Grade 2 of the WA Suburban Turf Cricket Association. Further congratulations are warranted for their resulting promotion into the First Grade.

Earlier in the year Bassendean also took out the inaugural CaptureSport T20 competition and the Division 2 One-Day Competition. They then completed a very successful season, with a great team effort to win their Grand Final v Kalamunda in Grade 2. Winning the toss and electing to bat first, Bassendean reached 334 before being dismissed. Kalamunda, who were gallant in defeat, were only able reach to 216 in reply.

Once again congratulations go to the Bassendean Cricket Club for their outstanding achievements in the 2010/11 season. The Town wishes the Club all the best in their return to First Grade next year.

Bassendean Day lecture

On 12 July 1901, the first meeting of the West Guildford Road Board was held in the billiard room of Cyril Jackson's home, Daylesford.

In 1922, West Guildford changed its name to Bassendean and in the early 1970's became the Town of Bassendean. 110 years on and we are celebrating 'Bassendean' by having the Annual Library History Lecture in the Community Hall at 48 Old Perth Road.

This year, the lecture will feature an address by Mr Paul Bridges on the Pensioner Guard Cottage at 1 Surrey Street, Bassendean. The cottage is a very significant site from a Western Australian historical perspective and of-course for the early West Guildford (Bassendean) historical scene.

To give you a wider perspective of the Pensioner Guard Cottage and a flavour of the era, we will be displaying some of the significant artefacts that were discovered during an archaeological dig on the surrounds of the former Pensioner Guard Cottage.

We are also having members of the Perth Muzzle Loading Club coming in uniform at 6.30pm to show some of the weaponry in use in the 1800s and they will treat us to a volley or two (from the Library car park) to set the evening off.

The details for your social and cultural calendar are:

When: Tuesday 12 July at 6.30 pm for the weapons show.

Where: The Community Hall at 48 Old Perth Road.

Subject: The Pensioner Guard Cottage and its significance.

Food and Drink: From 7.00 pm in the Hall.

Lecture Time: 7.30 pm.

Bookings: Please ring the Library on 9279 2966 to enable us to cater adequately and put out enough chairs.

2011 Bassendean Visual Art Awards

Peter Farmer, winner of the Open Award in the 2010 Bassendean Visual Art Awards.

The Town is also seeking sponsors for this event. If you are interested in becoming a sponsor, please contact the Town's Manager Community Development on 9377 8006 to discuss further.

PLANNING is well underway for the Bassendean Visual Art Awards to be held at the Cyril Jackson Recreation Centre from Thursday 29 September until Wednesday 5 October 2011. The exhibition will be open to the public at the following times:

- Thursday 29 September and Friday 30 September from 10.00 am to 4.00 pm.
- Saturday 1 October to Monday 3 October from 12.00pm to 4.00 pm.
- Tuesday 4 October and Wednesday 5 October from 10.00 am to 4.00 pm.

Free community safety forum

THE TOWN of Bassendean, in conjunction with WA Police and the Office of Crime Prevention, will be hosting a community safety forum for local residents.

The forum is aimed at providing residents with practical tips and ideas on personal safety, both in the home and in the community.

When: 12.00 – 2.00 pm, Saturday 11 June 2011.

Where: Bassendean Community Hall,
48 Old Perth Road, Bassendean.

Entry: Free!

For further details, please contact the Town of Bassendean on 9377 8000, or check the website at www.bassendean.wa.gov.au.

Recycling and donation program

THE PARAPLEGIC and Quadriplegic Association of WA offers several recycling and donated goods services to residents in the Town. The Association currently has a Community Clothing Bin Collection program and a second-hand goods donation service in operation. Arrangements to pick up donated furniture and second-hand goods can be made by phoning 9381 0111, during office hours.

Become a census collector and benefit our community

The 2011 Census is coming up on 9 August. This is a very important date for our community as the information collected on Census night determines the funding for community services, for planning for future needs, as well as the distribution of GST funds.

Census WA is currently looking for people to fill Census Collector positions. Collectors deliver and collect Census forms from all households in their allocated area and, where necessary, help the householders complete their Census form. The job is part-time between July and September.

If you are interested in a Collector position, you can apply now at www.abs.gov.au/census or call 1800 420 182.

Recruiting local people who know and care about our community will make a big difference. Please consider if you could undertake a Census role and make an important contribution to your community.

Thanks for Council's contribution

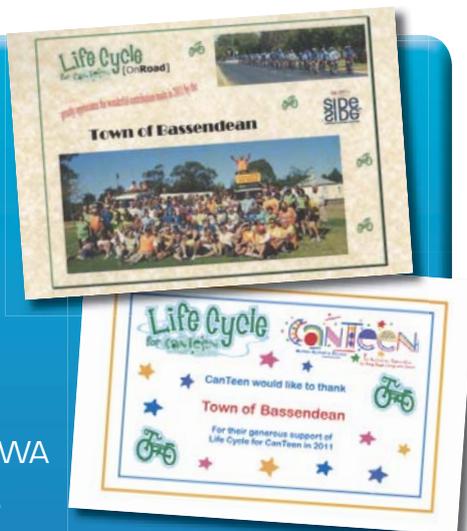

A letter of thanks has been received from Life Cycle for CanTeen WA thanking Council for its generous donation of \$500 and use of its facilities at the Sandy Beach Reserve in support of the Life Cycle for CanTeen bike ride from Bassendean to Busselton in March.

Over \$87,000 has been raised in donations just this year, and from small beginnings in December 1998, Life Cycle's total donation to CanTeen WA is currently just over \$537,000—their biggest WA fundraiser.

CanTeen provides a wide range of camps, special programs, counselling, recreation days, and many other activities to encourage young people to share and cope with their experiences, make new friends and have fun.

Check out the Life Cycle website at www.lifecyclewa.com.

Swan River Trust continues to target tree vandals

The Swan River Trust continues to target people who destroy trees or vegetation in the Swan Canning Riverpark.

Common vegetation vandalism may include systematic poison, limb removal, cutting down of the plants, or walking over foreshore vegetation while fishing.

The Swan River Trust works with local councils and erects signage in places where vegetation has been destroyed informing the public about the destruction which took place.

Should you observe acts of environmental vandalism, you are encouraged to report them to the Swan River Trust on 9278 0900 or after hours on 0419 192 845.
