

TOWN OF BASSENDEAN
RECONCILIATION ACTION PLAN
2018 - 2020

Acknowledgement of Noongar People

The Town of Bassendean acknowledges the Noongar people as traditional custodians of this land and acknowledges their continuing connection to land and community.

We pay our respects to them, to their culture and to their Elders, past and present.

For the purposes of this document, use of the term 'Aboriginal' is inclusive of Torres Strait Islander peoples

OUR VISION FOR RECONCILIATION

Our vision for reconciliation is to close the 17-year life expectancy gap between Aboriginal and non-Aboriginal peoples by building awareness, acceptance and understanding and to provide opportunities for the community to engage with Aboriginal and Torres Strait Islander peoples assist community empowerment and recognise the cultural and historical connections.

OUR BUSINESS

The Town of Bassendean is a local government authority established by the Local Government Act 1995. The Town provides a range of statutory and community services and facilities to its residents and ratepayers.

The Town of Bassendean employs 125 Full Time Equivalent (FTEs), of which there are currently two (2) employees that identify as being of Aboriginal and Torres Strait Islander descent.

The Town is located approximately 10 kilometres northeast of Perth and five minutes from the Swan Valley. With a total area of 11 square kilometres, the Town is bounded by the Swan River, the City of Swan to the north and the City of Bayswater to the west. Office locations include the Administration and Council Chambers building, Bassendean Memorial Library, Wind in the Willows Childcare Centre, Senior Citizens Centre, Volunteer Centre, Youth Services and the Customer Service Centre. It has a river frontage of seven kilometres. Its primary focus is on servicing the needs of residents and ratepayers within its geographical area however it does seek to influence the State's approach to local government via the WA Local Government Association.

Bassendean is considered a greater area than just the town boundaries and is significant to Noongar Traditional Owners and Elders, the wider Perth Noongar community and Aboriginal and Torres Strait Islander and former residents.

There is a strong association for a large number of Aboriginal and Torres Strait Islander peoples with Bassendean and more specifically for Noongar/Whadjuk peoples with Ashfield, Success Hill and Eden Hill. In discussions with local Aboriginal and Torres Strait Islander peoples, their strong identification with the area becomes clear. If asked, most say they "come from" Bassendean, although they may currently live outside of the Town boundaries.

The Bassendean area has a rich history for the Nyoongar/Whadjuk peoples. Several significant Noongar sites are located within the Town or close-by to the Town. Some areas, such as Success Hill, have been well signposted by the Town with their Aboriginal and Torres Strait Islander cultural significance fully acknowledged.

According to Australian Bureau of Statistics (ABS) data from the 2016 census, 388 people have identified themselves as Aboriginal and Torres Strait Islander in the Town, out of a population of 14,404. This represents about 2.7 per cent of the total Town of Bassendean population. Consultations with the Town's Aboriginal and Torres Strait Islander community suggest that there is a slightly larger Aboriginal and Torres Strait Islander population in the Town than the census suggests and an even larger group who identify strongly with the Bassendean area. In discussions with locals, they estimate that there are at least 600 to 800 residents who identify as Aboriginal and Torres Strait Islander descent. This includes those people and their families who identify strongly with the area and are in the area regularly utilising local facilities and services.

OUR RECONCILIATION ACTION PLAN

The main purpose for developing our Reconciliation Action Plan is that it was acknowledged that the actions taken by the Town prior to the adoption of the first Reconciliation Action Plan (2012-2016) had been ad hoc and uncoordinated and in May 2010, Council resolved to formalise affirmative action strategies within the context of Reconciliation Action Plan. The first Reconciliation Action Plan has expired; hence, the organisation has determined to continue its journey through the development and implementation of a new Reconciliation Action Plan for the period 2018 to 2020.

The Reconciliation Action Plan will be championed by members of the Bassendean Cultural Advancement Group, the Director Community Development and identified Town employees. The Chief Executive Officer has, and will continue to have, an overriding leadership role in encouraging and supporting the Reconciliation Action Plan initiatives. Likewise, the Mayor also plays a leading role in supporting Reconciliation Action Plan initiatives at the Council level.

A working party was established comprising employee representatives;

- Graeme Haggart – Director Community Development;
- Salvatore Siciliano - Manager Recreation and Culture;
- Anthony Dowling - Director Strategic Planning;
- Greg Neri – Manager Youth Services;
- William Barry – Senior Economic Development Officer;
- Janet Megarrity – Local Studies Librarian; and
- Rhonda Browning – Administration Officer.

The Bassendean Cultural Advancement Group (the members being Lyn Cox, Vivienne Weir, Diana Cox, Gemma Cox and Che Cox) was identified as a body to assist in coordinating community input.
