

## Community Awards

### Policy Objective

To provide an appropriate framework that facilitates the recognition and celebration of significant contributions to the local community and district.

### Policy Scope

This Policy applies to community awards issued by the Town but does not apply to any awards issued to staff or teams within the Town's administration.

### Policy Statement

In July 2020, Council adopted a new Strategic Community Plan, which defines the Town's vision, aspirations and priorities for the next 10 years. It is the key guiding document that informs all other plans, strategies and policies and the Town's actions and decisions.

The priority areas include "*Strengthening and connecting our community*", "*Leading environmental sustainability*" and "*Building community identity by celebrating culture and heritage*". Whilst the SCP is an intentionally high-level, strategic document, it demonstrates the Town's desire for a connected and engaged community. One of the specific measures to deliver on the above is the provision of community awards that acknowledge and celebrate those that make a genuine contribution to achieving these priorities.
